

About BermudAir

BermudAir is Bermuda's boutique airline, born and built around the island we call home. We offer year-round, direct flights connecting Bermuda with key destinations across the U.S., Canada, and new seasonal service to Grand Cayman, Turks & Caicos and Belize, serving both corporate and leisure travellers with an elevated experience. Our modern Embraer fleet, two-class cabin, and genuine island hospitality set us apart from legacy carriers and our industry-leading 70% Net Promoter Score confirms our guests notice the difference.

The BermudAir Corporate Programme

Designed with Bermuda's business community in mind, the BermudAir Corporate Programme is a dedicated travel partnership for small and medium-sized enterprises (SMEs) that keeps Bermuda connected to the world.

- Preferred pricing tailored to your travel needs
- Flexibility in last-minute changes to itineraries
- Preferred negotiated fares are available based on travel volume, offering more competitive pricing as activity grows.

Business Class – What's Included

Every Business Class seat delivers a premium island experience from wheels-up to touchdown.

Spacious Seating, No Middle Seat
