Club has completed programme registration process with GAA Handball.		
Programme Coordinator and Coach details have been provided to GAA Handball.		
Coach holds the minimum GAA Handball coaching qualification required for the programme.		
All activity will be delivered in accordance with GAA Handball playing rules.		
Protective goggles / approved eye protection will be worn by all participants during play.		
Handball court / venue has been checked and is suitable and safe for use before programme activity.		
First-aid access and normal club emergency procedures are in place.		
Participant registration and attendance will be recorded for every session.		
Any accident / incident that may give rise to a claim will be recorded and reported. through the required GAA Handball / insurer process		

Roles & Responsibilities:

Programme Coordinator

- Act as the main contact for the programme.
- Coordinate dates, venue access, participant communication and promotion.
- Support registration and maintain accurate participation records.
- Liaise with the club PRO and GAA Handball where required.
- Gather simple feedback and report participant numbers.

Coach

- Plan safe, enjoyable and inclusive sessions that are FUN for everyone.
- Use simple demonstrations and a small number of clear coaching points.
- Maximise activity and ball contact.
- Adapt activities to ability and confidence levels.
- Promote encouragement, fair play and a positive social environment.

Club

- Provide a safe and appropriate playing environment.
- Support access to equipment and suitable coaching personnel.
- Promote the programme through club and community channels.
- Ensure delivery aligns with GAA policies, safeguarding, welfare and data protection requirement.
