2026 HOSPITALITY

BRING THE NOISE IN 2026

With a brand-new set of regulations and Red Bull Ford Powertrains technology driving the next generation of machinery, the 2026 season is undoubtedly going to be one not to take your eyes off. With 23* destinations to choose from, and both teams giving it their all to shake up the grid, it's time to go racing in 2026!

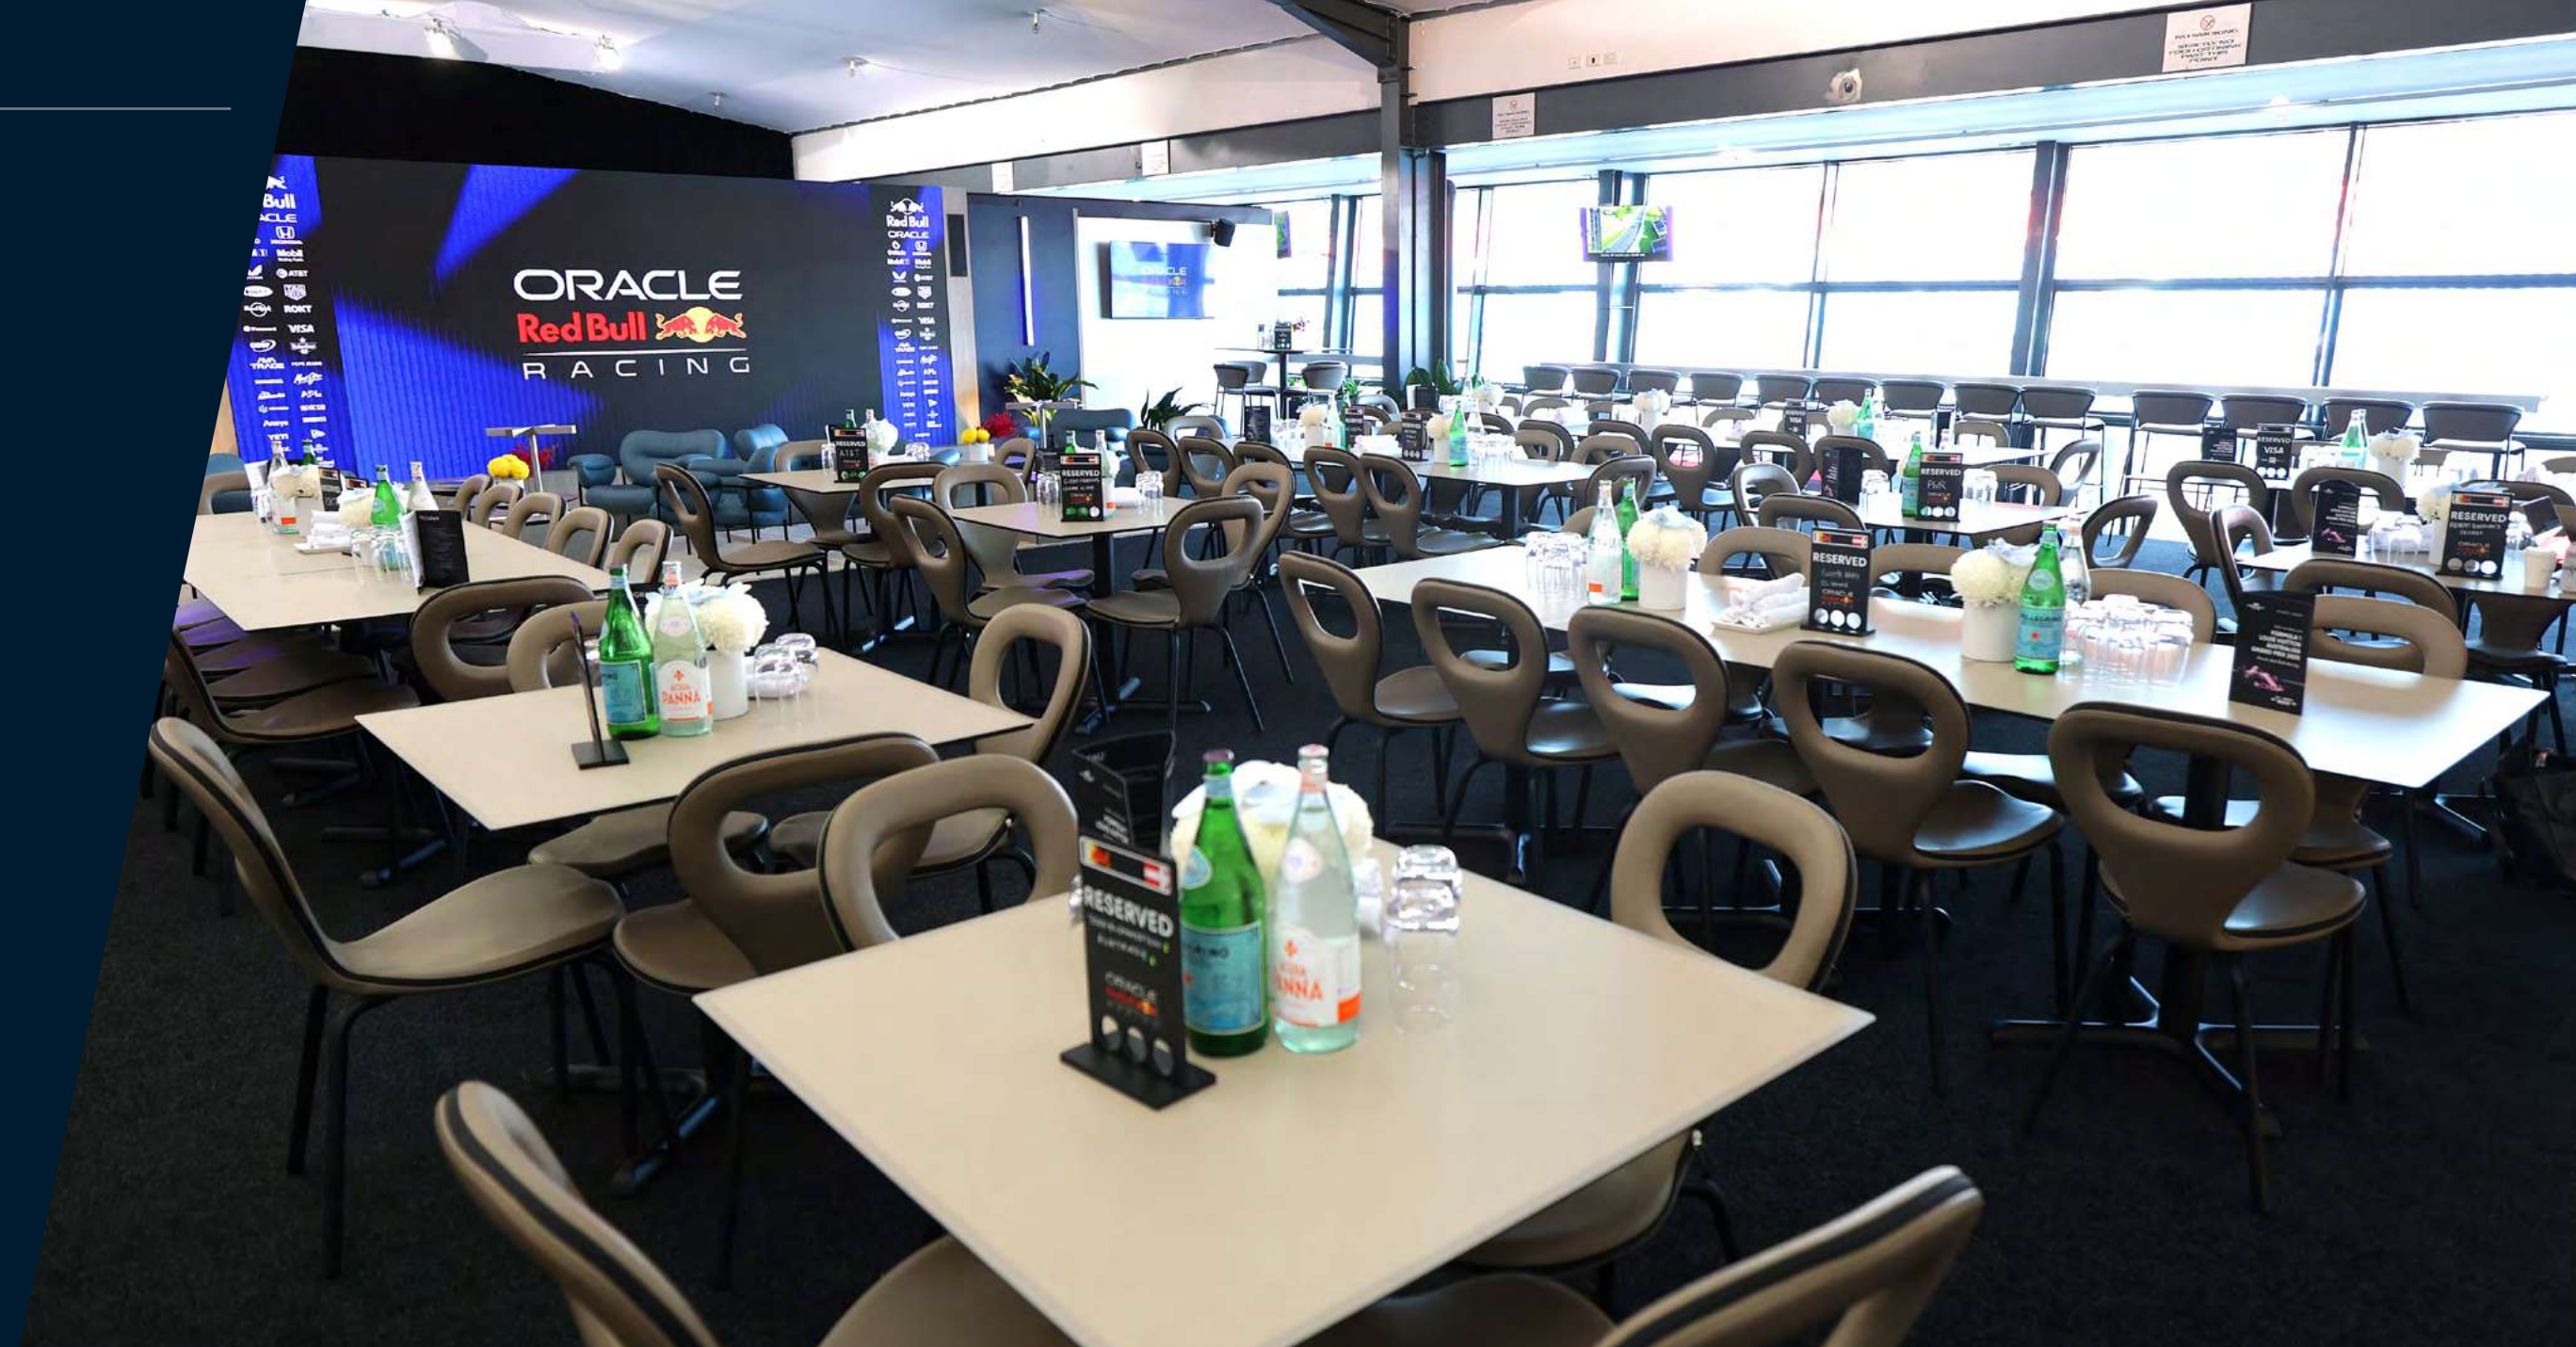

As our special guest in the Red Bull Energy Lounge, you will have the ultimate vantage point above the pit lane to get behind both Red Bull Teams no matter which race you attend.

RED BULL ENERGY LOUNGE

The Home of the Red Bull Paddock Club experience. Present at 12 races throughout the season, the Red Bull Energy Lounge places you at the heart of our Trackside Team environment. Enjoy a fully Red Bull branded space that boasts a thoughtfully curated atmosphere and entertainment experience, complete with our in-house DJ, setting the soundtrack to an unforgettable weekend.

Catch every on-track moment on our 4K LED video wall, then go deeper with Live Pit Links, offering insider access to car set-up insights, post session thoughts, and the mindset of our Race Team; all from the comfort of the lounge. Step even closer to the action via the Race Station, unlocking live race data, behind-the-scenes content, and direct access to Team and cockpit radio as strategies unfold in real time.

CLUB SUITE

At races where we do not operate a private suite, you will be hosted by the Team within the Club Suite area of the Paddock Club. The Club Suite offers a unique opportunity to share the atmosphere alongside our on-track rivals, while enjoying live appearances from drivers and personalities representing multiple teams and the wider world of Formula 1. While not located within a dedicated team environment, guests can enjoy access to the Paddock at select times, including opportunities beyond their scheduled garage tour.

PRIVATE SUITE

At three races during the 2026 season, we will host our guests in a private suite. While this is not the full Energy Lounge experience, the Team will still bring the energy, with our resident DJ and exclusive behind-the-scenes access. Guests can enjoy everything the Paddock Club has to offer, complemented by appearances from our Red Bull drivers and a premium selection of drinks served from a dedicated Red Bull bar. A tour of the Oracle Red Bull Racing Garage is, of course, guaranteed.

Our private suite will be available at the following races:

/ JAPAN

/ AUSTRIA

/ BRAZIL

TICKET INCLUSIONS
