

LINDISFARNE
COLLEGE

Strategic Pillars

STRATEGY 2026-2028

Our Vision The young men of Lindisfarne will be men of good character who will go on to lead successful and significant lives.

Our Aspiration To be recognised as one of **New Zealand's leading boys' schools**, distinguished by exceptional **facilities**, educational **outcomes**, outstanding **pastoral** care, and a wide range of engaging **opportunities** that enrich every student's **experience** and support their **growth** as confident, capable, caring and well rounded young men.

Wellbeing & Character	Every boy is known, valued and supported to thrive through outstanding pastoral care, belonging and personal growth.
Learning for the Future	Deliver a future-focused education that equips every student with the knowledge, skills and pathways to succeed beyond school.
Exceptional People	Attract, develop and support outstanding staff who inspire excellence and model the values of the College.
Stewardship	Manage our finances, resources and environment responsibly to ensure the long-term strength of the College.
Campus of Excellence	Develop outstanding facilities and learning environments that enrich the Lindisfarne experience and support future generations.
Beyond the Classroom	Provide exceptional sporting, cultural, leadership and service opportunities that help every boy discover his strengths.
Community & Advancement	Build strong relationships with families, Old Boys, partners and supporters to strengthen Lindisfarne's reputation and future.

Together these strategic priorities ensure Lindisfarne continues to develop young men of good character while building one of New Zealand's leading boys' schools for generations to come.
