

DEMO - NOT A VALID DOCUMENT

PRODUCT SHEET

Mailbox delivery

A short demo document showing how a product sheet opens from Early Bird's document collection.

Demo version 1.0 | August 2026

Early delivery

The parcel follows the morning route and is delivered to the mailbox or door before the day begins.

For e-commerce

The service can be presented as a clear checkout option and combined with parcel tracking.

This is demonstration content only and does not describe a binding service offer.
