

TwinSweep 700E

**... the efficient one
up to 4.000 m²**

Compact and powerful – the TwinSweep 700E excels on dusty floors as well as with coarse dirt. The machine is light on its feet and offers excellent maneuverability thank to its large front wheels. The Pro-Version includes features as the swivelling sidebrush making corners and tight spaces easy to sweep. Pro- and Basic version are equipped with the TRS-System granting proven performance.
