Protect and advance your organization with Services from Kodak Alaris

Repair & Maintenance Services

Our service plans are designed to keep your organization productive and maximize your investments for many years to come. As a multi-vendor service organization, Kodak Alaris is uniquely skilled to serve customers with hardware from a variety of manufacturers. Our Service team is recognized around the world for its responsiveness, professionalism, and exceptional technical expertise that is unmatched in our industry.

Professional Services

What would it mean for your business if important information were always delivered where it needs to be? If every document, email, or handwritten form were all digitally organized, processed, and delivered to your business systems and applications? That's what our consultants help you achieve, with cost-effective document automation solutions that make sense.
