As we come to the end of Term 2, I would like to thank our entire school community for a truly excellent and engaging few months.

Term 2 has been filled with activity, achievement, and many enjoyable moments for our pupils. It has been wonderful to see such enthusiasm across all classes.

We now look ahead with great anticipation to Term 3, which promises new opportunities, continued growth, and many more positive experiences for everyone.

Congrats to the St Joseph's team who took part in the FAI 5 a side soccer competition in Blarney.. Both teams scored some great goals and defended heroically . Well done to all of you.
