PRINCIPALS CORNER

**Conor
Mulcahy**

This has been a busy and exciting month. I want to thank all of the staff at St. Joseph's for all the dedicated work that they do to educate and care for all of the girls in the school. The organisation is blessed to have them. Thank you to the wider school community for all the support over the year but in particular the past few weeks with the Parents Association Golf Classic and the usual supports for the communion and so much more. Our preschool is close to opening finally and we have secured planned permission for our lift and new entrance accessibility work. We are continuing to grow and develop the school to make it the very best organisation possible for the children. Many thanks everyone!
