THE EXPERIENCE

Our portfolio of exceptional private properties offers an outstanding setting for corporate groups in the heart of Verbier, combining high-end accommodation with impeccable hospitality. Each chalet combines refined design with expansive living areas and premium amenities, creating a level of privacy ideal for hosting teams, rewarding performance, or entertaining clients.

At Verbier Exclusive, we pride ourselves on creating stays tailored to the group. From private chefs crafting gourmet meals, to expertly guided ski adventures and serene in-chalet spa retreats, every element is thoughtfully curated to deliver a memorable stay for your group.

For rotating teams or staggered arrivals, we provide full support and smooth transitions for changeovers of guests mid-stay. And for those with busy schedules, we also cater to short-stays, ensuring that even brief trips deliver maximum value. With our pre-planning and on-the-ground coordination, the guests can make the most of their time in resort.

“Redefining Alpine
experience”

Legendary ski terrain,
spectacular mountain
scenery and high-octane
nightlife.

VERBIER, SWITZERLAND

400km of runs and world-class off piste terrain.

Verbier is an easy 2 hour drive from Geneva airport and just 45 minutes from the private airport in Sion. The resort is only 10 minutes from Le Chable where trains run directly to Martigny with connections to Zurich, Paris, Milan and into Geneva Airport.

Verbier itself is more a little Swiss town than the traditional stereotype of a ski resort, with a thriving year-round community living in chocolate-box chalets. Verbier's infamous nightlife needs little introduction and boasts an eclectic mix of apres ski bars such as the Farinet and Le Rouge, Michelin-starred restaurants, and superb nightclubs such as Farm Club and South.

Although many of our guests come to Verbier for the extraordinary skiing, there are a huge array of activities available for non-skiers too.

OUR PORTFOLIO

We offer a hand-picked portfolio of exclusive properties, from opulent nine bedroom chalets to charming two bedroom apartments, each designed to combine comfort, style and privacy. Our properties offer extraordinary features - home cinemas, complimentary bars, luxurious hot tubs, private swimming pools, and vistas that capture the awe-inspiring beauty of the Alps.

Our sales team will guide you through our collection to find the properties that best suit your group. We understand that no two corporate stays are alike, which is why our chalets have flexible room set ups. Bedrooms can be configured for shared arrangements or single occupancy depending on the composition of the group.

For larger groups, we can seamlessly coordinate multiple chalets, ensuring everything works effortlessly together. We're also happy to accommodate shorter stays, with the same attention to detail throughout.

SIGNATURE VENUES

With impressive open-plan living areas and scenic terraces, our chalets lend themselves perfectly to hosting events. Whether it's an intimate fireside cocktail reception, or a private après ski gathering, our team will work closely with you to create an unforgettable event.

For strategy sessions or leadership retreats, the chalets' extensive open-plan living areas or home cinemas can be transformed into fully equipped meeting spaces.
