

YOUR APPRENTICESHIP TIMELINE

Ready to jump straight into a career? Apprenticeships let you earn real money while learning real skills employers look for. This timeline shows you exactly when things happen, so you can nail every step of the process.

SEPTEMBER TO NOVEMBER

Applications are officially open! Loads of large employers start their recruitment early for the next year. But it's worth remembering that some employers recruit throughout the year.

Not sure which apprenticeship route suits you? Check out our [scheme guides](#). >>

MARCH TO MAY

It's interview time and assessment centre time. Need a little practice? Check out our [interview and assessment centre](#) >> advice.

Not heard back from employers, yet? That's normal, it can take employers some time to make their decisions. It's always worth seeing what else is out there.

DECEMBER TO FEBRUARY

Application deadlines start rolling in. Each employer has different timelines, so always check those dates out. Use our [application tracker](#) >> to keep on top of your deadlines.

It's also [National Apprenticeship Week](#) >> in February too!

JUNE TO AUGUST

Offers start coming in. You've got time to make a decision, no need to rush saying yes.

SEPTEMBER

Your apprenticeship begins! You're about to start earning, learning, and building your career all at once. You're going to be amazing.

HIGHERiN TOP TIPS:

Research employers. Understanding their values and culture will go a long way in helping you pick the right company. [Read our company profiles](#). >>

Get your CV work experience-ready. Not sure what to include? [We've got you covered](#). >>

Keep an eye on your applications with our handy tracker. [Take me there](#). >>
