

The image shows a sophisticated hotel interior with a warm, golden-brown color palette. The walls are covered in large, square panels of a textured material. Several tall, slender palm trees are placed throughout the space. The seating consists of dark, curved armchairs and round tables with white tablecloths. A large, dark, textured vase with dried flowers sits on a table. The lighting is soft and ambient, with a mix of pendant and table lamps.

VAN DER VALK HOTEL GENT

"Stylish luxury in a palette of deep, refined shades."
