All those who are already looking forward to the barbecue season should not miss the *Ski & BBQ* event on the weekend of March 13/14 in the Schlick 2000. At an altitude of 2,000 metres, a professional grill team provides culinary delights directly at the Kreuzjoch Panorama Restaurant. For the exuberant atmosphere guarantee DJ sounds

Freeride Festival at Stubai Glacier

13.03. + 14.03.2027

The Powder Department on the Stubai Glacier is a paradise for freeriders with its deep snow and untouched slopes. All visitors who want to test the brand new winter sports equipment of the 2027/28 season in advance free of charge and without obligation, can let off steam at the *Freeride Festival* on the weekend of 13/14 March. The event will be complemented by interesting workshops and safety training. Local guides show experienced freeriders new and unfamiliar terrain, while beginners are guided in their first attempts off-piste. At the after-hour, everyone is invited to exchange ideas in a relaxed atmosphere and experiences can be shared, equipment discussed here.

Stubai Wild Ride

10.04.2027

The ultimate challenge for ski enthusiasts returns: on April 10, 2027, the third edition of the *Stubai Wild Ride*, with the familiar motto "Epic Rides. Epic Valley". The race is one of the most spectacular and long giant slalom courses in the Alps, over 6 km long, with a difference in altitude of about 920 meters and about 160 gates. Characteristic is the "flying start", from the Wildspitz lift at 3,210 meters, the race starts as soon as you get out, without a stop. Participants must show technique, endurance and courage to overcome this challenging course
