

WORLD
HEALTH
SUMMIT

OCTOBER 11–13, 2026
BERLIN, GERMANY
& ONLINE

Program Overview 2026

From Crisis to Resilience: Innovating for Health

Pandemic Prevention,
Preparedness and
Response:
Operationalizing Global
Health Security

**Global Health
Architecture:** Reshaping
Financing & Governance
Across the Global Health
Ecosystem

**Future-Ready Health
Systems:** Innovating with
AI, Data-Driven Policies,
and Workforce
Empowerment

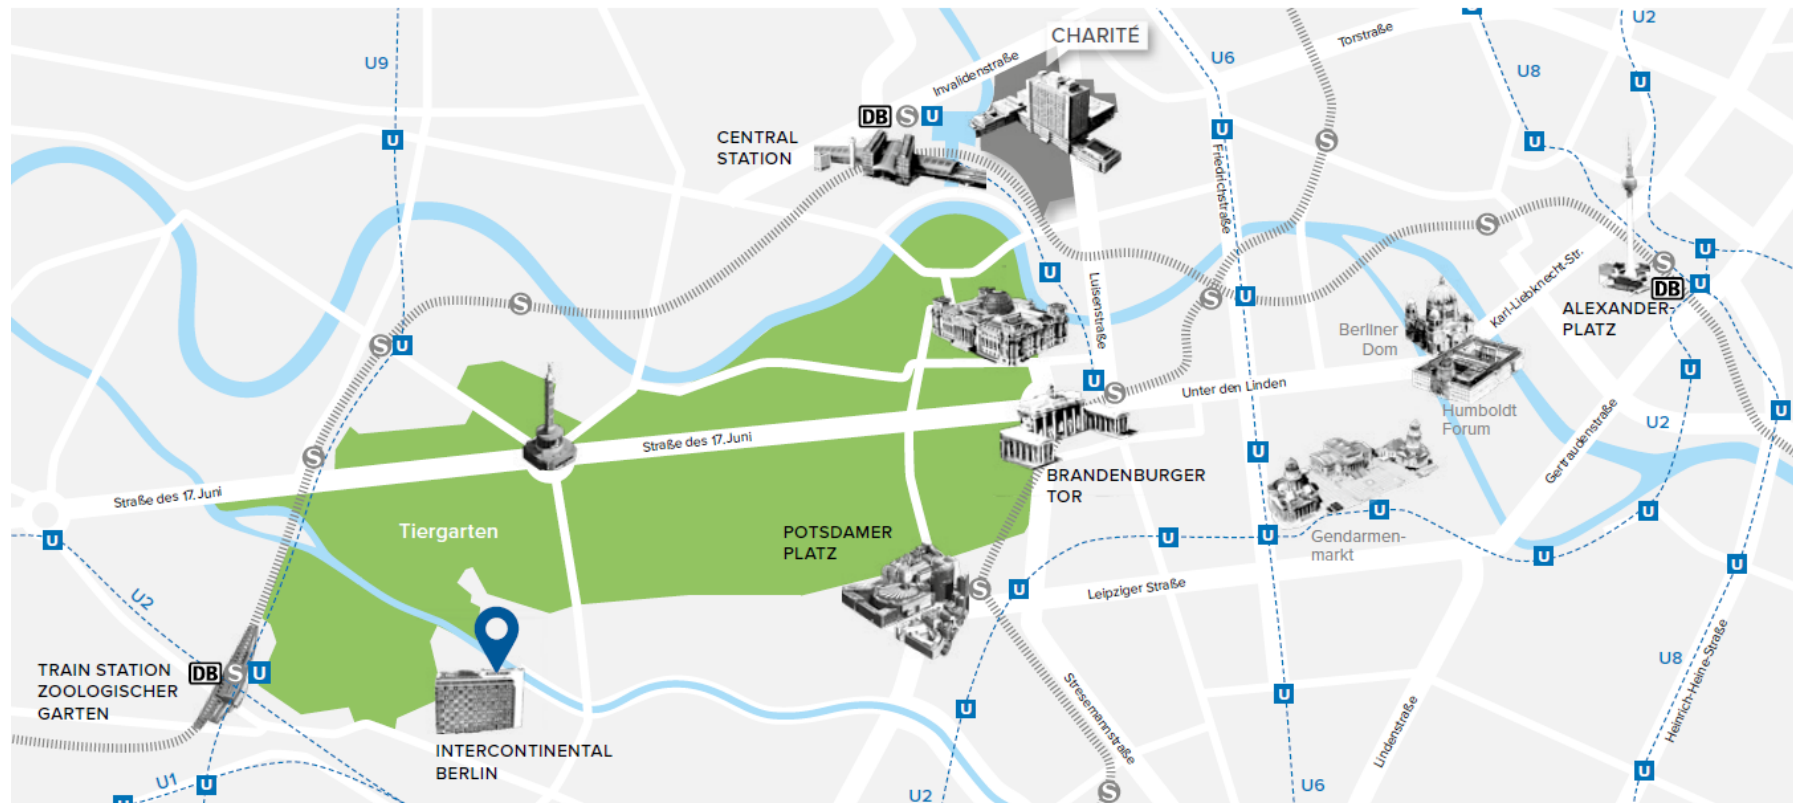

Health Equity
for Women, Children,
and Youth: Ensuring
Rights, Inclusion, and
Participation

Environmental Drivers:
Securing Sustainable
Futures through
Climate Action and
One Health

Conflict and Health:
Strengthening Resilience,
Safeguarding
Communities, and
Rebuilding Infrastructure

2ND FLOOR

SIDE MEETINGS

Sunday, October 11th, 2026

CENTER STAGE		HALL 1	HALL 2	PAVILION	HUB 1	FORUM 1	FORUM 2	HUB 2
11:00 – 12:30		PD 01	PD 02	PD 03	GHL 01	WS 01	WS 02	GHL 02
		Health Security as a Cornerstone of National Security	The Moment is Now: Unlocking New Capital for Women's Health Beyond Aid	Rethinking Health Systems for the Future: Turning Turbulence into Opportunity	Global Trends in Drug Policy & Their Impact on National Health Systems	Health Systems in Fragile Contexts through Gendered Realities	The Future of Health Promotion: Reimagining the Ottawa Charter for Mental Well-Being and Resilient Societies	The Future of Metabolic Health, Liver Disease, and Related NCDs
12:45 – 13:45	Lunch break (12:30–14:00)	PD 03a	Lunch break (12:30–14:00)					
		Future of WHO and GHA: In Conversation with Prospective WHO DG Candidates						
14:00 – 15:30	KEY 01	Launch of the Lancet Monitor of 21st Century Global Threats to Health	PD 04	PD 05	GHL 03	WS 03	WS 04	GHL 04
			From Crisis to Resilience: Strategic Health Industries for Health Security	Health in Times of Crisis: Safeguarding Health Systems Amid Sanctions and Conflict-Induced Migration Pressure	Health Security Beyond Defense: Building Resilience Against Threats	Nurses United in a Changing World: Strengthening Resilience	Youth Priorities for the New Global Health Architecture	Building Resilient Health Systems Through Traditional Medicine
15:30–16:00		Coffee Break						
16:00 – 17:30	KEY 02	PD 06	PD 07		GHL 05	WS 05	WS 06	GHL 06
	Resilience in Healthcare: Experiences from Ukraine and Other Crises Contexts	The Strategic Health Economy: Driving Innovation, Competitiveness, and Resilience	Communities at the Heart of Health Resilience		AMR and Access: Pathways to Market for Current and New Antibiotics	Future Health Scenario Platform: Informing Policy Choice	Shaping the Global Health Architecture and Ending Diseases of Poverty	Announcing the WHS–Lancet Commission on Academic Responsibility
17:30–18:00		Break						
18:00 – 22:30	Overflow			WHS				
	Screens to Watch: WHS Opening Night			Opening Night & Reception				

Monday, October 12th, 2026

CENTER STAGE		HALL 1	HALL 2	PAVILION	HUB 1	FORUM 1	FORUM 2	HUB 2
09:00 – 10:30		PD 08	PD 09	PD 10	GHL 07	WS 07	WS 08	GHL 08
		Health Security and the Strategic Role of Health Industries in Resilient Systems	Using Health Evidence to Unlock Faster, Fairer Climate Action	Global Skills Partnership For Fair & Ethical Nursing Mobility	Polio at a Crossroads: Sustaining Political Commitment	Health Diplomacy in the Age of AI: Enhancing Digital Health Resilience, Governance, and Trust in Fragile Environments	Responding to the 2026 Ebola Bundibugyo Outbreak	Societies and Trust in Science: Complexity, AI, and Planetary Health
10:30–11:00 Coffee Break								
11:00 – 12:30	KEY 03		PD 11	PD 12	GHL 09	WS 09	WS 10	GHL 10
	Pandemic Preparedness at a Crossroads: Financing and Governing Global Health Security		Funding the Future: Unlocking the Economic & Fiscal Returns	Community-Driven One Health in Action	Malnutrition Screening for Stronger Health Systems	Charting the New Age of Global Health and Science Diplomacy	NTDs 2030: Turning Challenges into Health System Strength	NCD Prevention and Stroke Management Across the Care Pathway
12:45 – 13:45	Lunch break (12:30–14:00)	PD 12a	Lunch break (12:30–14:00)					GHL 10a
		Launch of the GPMB Insights Capstone Report						Global Health Matters Podcast LIVE
14:00 – 15:30		PD 13	PD 14	PD 15	GHL 11	WS 11	WS 12	GHL 12
		Modernizing Clinical Trials: AI, Access, and Equity	Women's Health at the Core of Resilience	Does Science have a Trust Problem? New Findings from the Wellcome Global Monitor 2026	Low-Carbon Health Systems: Driving Innovation to Accelerate Adoption	Preventing the Next Pandemic: Why One Health Can Change Global Health	Resilience through Health Information Integrity	No Universal Health Without Oral Health
15:30–16:00 Coffee Break								
16:00 – 17:30			PD 16	PD 17	GHL 13	WS 13	WS 14	GHL 14
			The EU's Role in Global Health: Harnessing Europe's Strengths	From Crisis Response to Resilience: Innovating for Health Security Beyond Borders	AI in Biomedicine and Health: Balancing Innovation and Integrity	Aligning Financing Mechanisms for Health with Nationally-Determined Priorities	Ecological Determinants of Resilient Health Systems	High Price, High Quality? Medicine Pricing and Trust in LMICs
17:30–18:00 Break								
18:00 – 22:30	WHS			Overflow				
	WHS Signature Event — From Crisis to Resilience: Innovating for Health			Screens to Watch: WHS Signature Event				

Tuesday, October 13th, 2026

CENTER STAGE		HALL 1	HALL 2	PAVILION	HUB 1	FORUM 1	FORUM 2	HUB 2
09:00 – 10:30		PD 18	PD 19	PD 20	GHL 15	WS 15	WS 16	GHL 16
		SRHR Under Pressure: Advancing Innovation for a Changing World	Healthy Information Ecosystems: A New Pillar of Global Health Security	Rethinking Equitable Access to Obesity and Diabetes Care	Empowering the Health Workforce through AI	Safeguarding the Global HIV Response in a Changing Environment	Closing the Gaps in Sepsis Diagnosis and Care	Who Sets the Rules? Power, Partnerships, and the Future of Global Health Equity
10:30–11:00 Coffee Break								
11:00 – 12:30	KEY 04		PD 21	PD 22	GHL 17	WS 17	WS 18	GHL 18
	Governing the Global Health Architecture in a Multipolar World		Preparing Future Public Health Leaders in an Uncertain World	From Data to Solutions: A Global Network of Health Observatories	Health as an Investment: Preparing Systems & Societies	Science Under Attack: From Solidarity to Strategy	A Vision for Hospitals of the Future as Global Networks	Strengthening Health Systems for Migrant Women, Children, and Youth Across the Migration Continuum
12:45 – 13:45	Lunch break (12:30–14:00)	PD 22a	Lunch break (12:30–14:00)					
		From Digital Innovation to Health System Transformation						
14:00 – 15:30		PD 23	PD 24	PD 25	GHL 19	WS 19	WS 20	GHL 20
		Beyond Dashboard: AI for Global Health Security	Reimagining a Future-Ready, Resilient, and Equitable Health Workforce for Africa	Building Public-Private-Philanthropic-Partnerships (PPPPs)	Accra Reset: A New Global Development Framework	Inclusive Universal Health Coverage: A Pathway to Health Equity	Digital Health Strategies and Outcomes in the Global South	Designing the Surveillance Financing Landscape of the Future
15:30–16:00 Coffee Break								
16:00 – 17:30	KEY 05							
	Transforming the Future: Ending Preventable Maternal & Child Deaths
