Disclaimer

WHS Expert Meetings are held under the auspices of the WHS, with the WHS and WHS Academic Alliance offering strategic guidance and communications support to ensure their success.

All financial, legal and logistic responsibility for WHS Expert Meetings resides fully with the Organizing Alliance Member Institution, which is also in charge for all agreements and contracts with external partners.

The opportunity to host a WHS Expert Meeting is available upon application and approval by the WHS Academic Alliance Executive Committee (ExCo). In rare cases, if a meeting is found to pose potential risks to the Alliance or its members, the ExCo may withdraw this approval.
