The authorization may be exercised in whole or in part or in several partial amounts and in pursuit of one or more purposes by the Company, by a subsidiary company (Section 189a no 7 of the Austrian Commercial Code) or by third parties for the account of the Company, in particular (i) for the purpose of implementing an employee participation program including members of the Management Board and senior executives of the Company or of companies affiliated with it (Section 189a no 8 of the Austrian Commercial Code) or (ii) as consideration in connection with the acquisition of companies, businesses, parts of businesses or shares in one or more companies in*

Item 8b of the agenda:

“For a period of 5 years from the date of the resolution – subject to the simultaneous revocation of the respective resolutions by the Annual General Meeting of 18 April 2024 – the Management Board is authorized, with the consent by the Supervisory Board, to determine, in accordance with Section 65 para 1b of the Austrian Stock Corporation Act (AktG), for the sale of own shares a legally permissible method of disposal other than via the stock exchange or a public offer and to resolve on any exclusion of the shareholders’ right to repurchase (subscription right) and to determine the conditions of sale.”

Reasoning

Section 65 para 1 no 4 of the Austrian Stock Corporation Act (AktG) allows companies to repurchase their own shares for the purpose of offering them to employees, executives and members of the Management Board or Supervisory Board of the company or one of its affiliated companies. Section 65 para 1 no 8 of the Austrian Stock Corporation Act (AktG) enables listed stock companies, such as Lenzing Aktiengesellschaft, to repurchase their own shares for a neutral purpose. The resolution is intended to authorize the Management Board of Lenzing Aktiengesellschaft to carry out a share repurchase program with the consent by the Supervisory Board – of course, taking into account the extensive statutory disclosure requirements. With the option to implement a share repurchase program, the Company shall be enabled to react quickly and flexibly to market opportunities and in the event of declining prices, to implement share repurchases to stabilize the share price.

The Company will also be given the opportunity to invest liquid funds in its own shares at attractive conditions.

The option provided for in the resolution to reduce the share capital by redeeming the shares is intended to increase the Company’s flexibility in dealing with the shares, which may be repurchased. Redemption of the shares would lead to a reduction in the number of issued shares and thus to a higher share value of the remaining shares in Lenzing Aktiengesellschaft.

With regard to the proposed possible exclusion of shareholders’ repurchase rights (subscription rights) in the cases mentioned in the proposed resolution, reference is made to the corresponding report of the Company’s Management Board, which is expected to be available on the Company’s website at www.lenzing.com under

the menu items “Investors” and “Shareholder meeting” from 2 April 2026 at the latest. This report will also be available at the General Meeting.

It is pointed out that the proposed resolutions on agenda items 8a and 8b are to be voted on separately. If the resolution in accordance with the corresponding resolution proposal is passed on agenda item 8a, this resolution shall remain unaffected by any negative outcome of the resolution on agenda item 8b.
