Information to shareholders regarding data processing

1. Which personal data of shareholders is processed and for what purposes?

Lenzing Aktiengesellschaft processes **personal data** of shareholders (in particular those of the deposit certificate pursuant to Section 10a para 2 Austrian Stock Corporation Act – these are name, address, date of birth, number of the securities deposit, number of shares of the shareholder, type of share if applicable and the granting of a proxy – number of the voting card and, if applicable, name and date of birth of the independent proxy or proxies, requests to speak, declarations, approvals or rejections of agenda items) on the basis of the applicable data protection regulations, in particular the **European General Data Protection Regulation EU 2016/679** (“GDPR”) and the **Austrian Data Protection Act** (“DSG”), in order to enable shareholders to exercise their rights at the General Meeting.

In this connection the shareholders’ personal data is processed for the following purposes:

- Organization and holding of General Meetings, including verification of the right to attend/power of proxy and determination of the voting ratios,
- Preparation of registration, power of proxy and attendance lists,
- Participation of shareholders in the General Meeting and exercise of shareholder rights,
- Determination of the voting results and preparation of the minutes of the General Meeting,
- Fulfillment of compliance obligations, including recording, disclosure and reporting obligations.

The processing of the shareholders’ personal data is mandatory for the participation of shareholders and their representatives in the General Meeting in accordance with the Austrian Stock Corporation Act. If you do not provide your data or do not provide it to the extent required, you will not be able to participate in the General Meeting. The legal basis for the processing therefore is the relevant provisions of the Austrian Stock Corporation Act in conjunction with **Art 6 para 1 lit c GDPR** (compliance with a legal obligation). For the processing Lenzing Aktiengesellschaft is controller as defined in Art 4 no 7 GDPR.

2. To whom is the shareholders’ personal data transferred?

Lenzing Aktiengesellschaft uses external **service providers**, such as notaries, lawyers, banks and IT service providers, for the purpose of organizing the General Meeting. These service providers receive only such personal data from Lenzing Aktiengesellschaft as is necessary for the performance of the commissioned service, and, where they are processors as defined in Art 4 no 8 GDPR, process the data solely on instructions of Lenzing Aktiengesellschaft. Lenzing Aktiengesellschaft has concluded **data processing agreements** with these processors in accordance with Art 28 GDPR.

If a shareholder participates in the General Meeting, the members of the Management Board and Supervisory Board, the notary and any other person with a legal right to attend may view the list of participants stipulated by statute (Section 117 Austrian Stock Corporation Act) and thereby also have access to the personal data contained therein (inter alia name, address, shareholding relationship). Lenzing Aktiengesellschaft also has the statutory obligation to submit the shareholders’ personal data (in particular the list of participants) to the **commercial register at the competent commercial register court** (Section 120 Austrian Stock Corporation Act) as part of the notarial protocol.

3. How long is the shareholders' personal data stored?

Shareholders' data will be anonymized or deleted as soon as it is no longer necessary for the purposes for which it was collected or processed, and no other legal obligations require further storage. **Obligations to provide evidence and to retain records** arise in particular from corporate, stock corporation and takeover law, from tax and duties law as well as from anti-money laundering regulations. If legal claims are made by shareholders against Lenzing Aktiengesellschaft or vice versa by Lenzing Aktiengesellschaft against shareholders, the storage of personal data serves **to clarify and enforce claims** in individual cases. In connection with proceedings before civil courts, this can lead to storage of data for the duration of the statute of limitations plus the duration of the court proceedings up to its legally binding conclusion.

4. What rights do shareholders have with regard to their personal data?

Every shareholder has a **right to access, rectification, restriction, objection and deletion** at any time with regard to the processing of his/her personal data as well as the right to **data portability** (Art 15 to 21 GDPR). Shareholders can assert these rights against Lenzing Aktiengesellschaft free of charge by contacting the e-mail address privacy@lenzing.com or by mail to: Lenzing Aktiengesellschaft, Privacy Office, 4860 Lenzing an der Ager, Werkstraße 2.

If you believe that, despite our obligation to process your data lawfully, your right to legitimate processing of your data has been violated, please contact privacy@lenzing.com so that we can remedy the situation. However, you also have the **right to lodge a complaint** with the **Austrian Data Protection Authority** or another competent data protection authority in the EU, in particular at your place of residence or work.
