DUCK DONUTS®

Get in on a *ducklicious* franchise opportunity

At Duck Donuts, we love to make life just a little sweeter with fresh, customizable donuts and treats for every time of day. With unique offerings and simple operations, our franchise opportunity has become an international sensation. Maybe it's the magic of made-to-order cake donuts, maybe it's our lovable brand, most likely it's all that and then some.

So... why Duck Donuts?

One of the questions we hear most often is, "What's with the ducks?" We were founded in the beachside town of Duck, North Carolina, and have embraced the laid-back lifestyle that comes with our coastal roots.

HOW WE GOT OUR START

Opened in 2007, Duck Donuts gained a loyal following of hungry patrons in the Outer Banks of North Carolina. We thought it would be unfair to keep our made-to-order donuts all to ourselves, so we started franchising in 2013.

WHERE WE'RE HEADED

Looking ahead, we're growing throughout the U.S. and across the pond. We offer single and multi-unit opportunities for passionate entrepreneurs looking to have fun while they build a business of their very own.

what makes our opportunity SO sweet?

Donuts have long been a delicious staple in American culture. Universally loved, donuts are a sweet pick-me-up for any time of day. Your Duck Donuts franchise will be a fresh spin on the beloved donut shop, offering guests something truly special with customizable cake donuts for every craving.

DIFFERENTIATED PRODUCT

Our signature vanilla cake donuts are made to order and dipped, topped and drizzled just the way you like it, offering customers a unique experience with every visit.

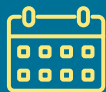

SIMPLE OPERATIONS

The simplicity of our menu means you won't need to spend valuable resources on the expensive equipment or staffing required by many other food concepts.

DIVERSE CUSTOMERS

From the office hero picking up a dozen to the family celebrating a little league game, Duck Donuts is loved by all.

MULTIPLE DAYPARTS

With breakfast, drink, dessert and snack options for the whole family, you can capture customers all day long.

PREMIUM PRICING

We don't just make any old donuts. Our specialty products are priced to reflect the quality and consistency customers have come to expect from Duck Donuts.

CATERING OPPORTUNITIES

Nothing says celebration like warm, made-to-order donuts! Our franchisees enjoy substantial sales from business meetings, staff appreciation events, catering, parties, and special occasions.
