

# Fee Schedule

Effective 01Jan2026

The Registry is developed for non-profit purposes. The Registry User's use of the Registry is free up to and including 31 December 2025 in respect of all Actions and activities on the Registry Site.

Beginning from 1 January 2026, to sustain and enhance it over time, the Administrator will be charging the following fees for the Registry User's use of the Registry (the "Fees").

1) Annual Subscription Fee

Charged for each Registry User in connection with the Registry receiving access to the Registry Site (at conclusion of the Subscription Agreement):

- Shipping Company, USD 3,000.00
- Freight Forwarder, USD 3,000.00
- Intermediary, USD 3,000.00
- Cargo Owner, Free of Charge

2) Booking Fee:

Charged per metric ton (MT) of sustainable maritime fuel (SMF) booked.

- Per MT of SMF, USD 3.00

For the avoidance of doubt, the Booking Fee related to blended fuels will be equivalent to the certified portion of the SMF of that blend.

The fee amounts are provided exclusive of value added taxes or other taxes or charges (if and to the extent applicable) as further set out in the Terms of Use, Sec. 13.

## INVOICING AND PAYMENT

- 1) The Fonden Mærsk Mc-Kinney Møller Center for Zero Carbon (the “Center”), on behalf of the Registry and acting as the Administrator, will issue an invoice for the Subscription Fee to the Registry User:
  - (i) Starting 1 January 2026 covering the full year of 2026 for all Registry Users signed before or up to 31 December 2025; or.
  - (ii) Following the Registry User onboarding for all Registry Users signed up after 1 January 2026; and.
  - (iii) On 1 January 2027 and annually then after for all active Registry Users.
- 2) The Center, on behalf of the Registry, will issue an invoice for the Booking Fee to the Registry User:
  - (i) Every quarter starting 31 March 2026 covering the metric ton(s) of sustainable maritime fuel booked during the quarter ending on invoice date;
- 3) Invoiced Fees shall be remitted to the following bank account:
