

WU Executive Academy HUBS & HUB MANAGERS

The WU Executive Club counts over 7,000 members from more than 100 nations. Our goal is to keep the Community connected across the globe, enabling members to expand their networks and benefit from each other's experiences. Hub Managers play a vital role in this mission by actively engaging their local communities and fostering global connections within the network.

For whom is this role?

The role of a Hub Manager is designed for all our motivated and engaged alumni/alumnae who are interested in taking part in the extension of the WU EA network and organising regular community events.

Purpose & Presence

Transform a region into an active community and get connected!

Our current Hubs:

- › Adriatic Region
 - Croatia
 - Kosovo
 - Serbia
- › BeNeLux
- › Bulgaria
- › Germany
- › MENA Region
- › Romania
- › Slovakia
- › Switzerland

Responsibilities and Requirements

- › Being the main contact point in the region
- › Providing support for regional networks/locations
- › Generating topic ideas for events
- › Organizing Hub Reunions at least 1 a year
- › Gathering information about career moves
- › Moderating Hub group on WU EA Connect
- › Regularly posting content from the regional community on WU EA Connect
- › Managing a hub for an agreed time period

Selection Criteria

In order to qualify for the role of a Hub Manager, there are a few things expected of you:

- › willingness to engage in the community
- › readiness to invest time
- › organizing and hosting community events
- › supporting and connecting hub members

Please send us a motivational statement regarding the Hub Manager position.
