Next step: Clinic Name Printing options

[illegible][illegible]

Sustainability option – extra shirts *required field	
To ensure optimal print quality, we always produce a few extra shirts when printing clinic names (depending on the total quantity, usually 3 or more). As part of our sustainable policy, these extra shirts are never destroyed. If they are not ordered, we recycle the materials. You now have the option to order these extra shirts directly with a 30% discount on the shirt price (printing costs are not charged). If more than 10 extra shirts are produced, we will contact you first regarding the costs.	
Would you like to receive the extra shirts at a discount?*	
☐ Yes, include the extra shirts with 30% discount	☐ No, I do not want the extra shirts
