## Signs

Inside the courtyard, **Architetti Artigiani Anonimi** and **Worksonpaper.it** present "Signs", an exhibition of works by Lupo Borgonovo.

Architetti Artigiani Anonimi presents "Punti di Passaggio", a series of drawings that explore the idea of threshold through essential forms and symbolic compositions.

Worksonpaper.it presents "Dischi Solari", a triptych of etchings where a subtle linework builds unexpected depth, echoing traditional Eastern printmaking techniques.
