SEAGULL CAMPSITE

Herm is a magical island, where memories are made amidst beautiful scenery, on soft white sands and in crystal-clear waters. Seagull Campsite is in the middle of the island just minutes from the cliff path leading to Belvoir Bay, and offers a safe, clean base from which to explore this beautiful slice of paradise.

The island grocery shop offers a pre-order facility ready for your arrival and is open daily for you to stock up on provisions during your stay. The main island pub, the Mermaid Tavern, caters for large groups and has a cheerful, informal atmosphere suitable for all ages.
