RUM

RON CENTENARIO 30 AÑOS EDICION LIMITADA

This 30-year-old rum marks the culmination of rum from Costa Rica. Oldest barrels of the Latin American rum distillery were opened for this bottling, and out flowed a mixture of soft and heavy premium rums that have been espoused in the so-called Solera process. The barrels are white and burned from the inside. Their initial filling is carried out with whiskey. Then, the rum gets into the barrels. Each barrel is tasted before and after filling and catalogued to later produce this unique blend. For the ferment an open procedure is used to ensure the homogeneity of the process. With up to 30 years of aging sprouts a gem only a few bottles are produced each year from.

BORGEO EXTRA

Ron Miracielo is a Special Reserve Rum born from an old family recipe in the ancient city of Santiago de Los Caballeros, which is now known as "La Antigua Guatemala", the first capital city founded in central America during the Spanish Colonization back in 1541. The invaluable recipe includes macerations which are hand-crafted from pure vanilla, fresh plums and raisins added during the rum's ageing process to achieve the unique flavors and aromas that make Miracielo rum so unique. Furthermore, it portrays hand-crafted leather detail in the bottle and is produced in small batches. All of these truly represent the charm of hand-crafted.

PRESIDENTE MARTI 23 YEARS OLD

The stylish design of the label of Presidente Marti 23 Anos Solera is a reference to José Julián Martí Pérez, a Cuban freedom fighter. This national hero went to fight against the Spanish colonial forces in the 19th century. The particularly long maturation period of more than twenty years after it is made using the Solera method allows this rum to develop an unmistakable softness. Notes of fruit, wood, and spices are layered over a gentle sweetness with a long, lingering finish.

CALIBRE 38 5 YEARS EXTRA ANEJO

A delightful spirit that holds its age wonderfully well, drinkers should expect notes of bergamot, toffee, overripe bananas, pineapples, vanilla, oak, chocolate and barrel char, with a little cinnamon spice.

MILLIONARIO 15 RESERVA ESPECIAL

Its deep amber colour hides a rich and persistent nose, full of candied fruits, cocoa, coconut, plums and cloves. It's very buttery too. On the palate, we have again a first spicy flash of cloves, then it becomes fully sweet and syrupy, dominated by butter, toffee, raisins, figs, dates, cola, molasses and dark sugar. A very pastry-like Spirit Drink, thick and coating, but which ultimately leaves the palate clean.
