DIN KOMPLETTA GOLFGROSSIST

Välkommen till oss

GolfGeist

Din kompletta golfgrossist

0303-79 85 80 · www.golfgeist.com
info@golfgeist.com · reklamation@golfgeist.com

Vår ambition är att året runt lagerhålla hela vårt breda sortiment som du hittar i denna katalog. Det innebär för dig som kund att du inte behöver binda upp för mycket pengar i eget lager. Vi har också ambitionen att skicka din order samma dag som vi får den. Således har du dina varor dagen efter order oavsett om det är en påse peggar eller en pall med vagnar.

Vi skickar allting med PostNord/DHL oavsett om det är pall eller paket. Det borgar för snabba och precisa leveranser. Om du handlar för över 10.000 kr exkl moms så bjuder vi på frakten. På mindre leveranser debiterar vi självkostnadspris.

Vi tar ansvar för eventuella produktfel och ersätter med ny vara alternativt kreditfaktura så snabbt som möjligt.

Då vi själva importerar stora delar av vårt sortiment, erbjuder vi väldigt attraktiva marginaler. I kombination med att vi lagerhåller hela sortimentet åt dig samt att vi levererar på dagen blir det väldigt lönsamt för dig att jobba med oss.

Vi har jobbat med att importera golf i över 30 år och har således långa relationer med våra leverantörer. Vi har under den tiden skaffat oss kunskap om vilka fabriker som klarar av att producera produkter med kvalitet till rätt pris.

Vårt Showroom ger dig mer

Kolla in vårt showroom, här kan ni enkelt, smidigt och snabbt lägga beställningar när ni vill, ha koll på våra nyheter och se vårt lagersaldo. Här kommer ni också att få företräde till våra reor och kampanjer.

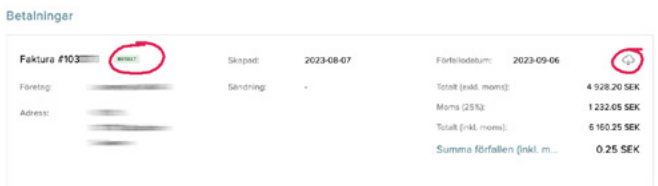

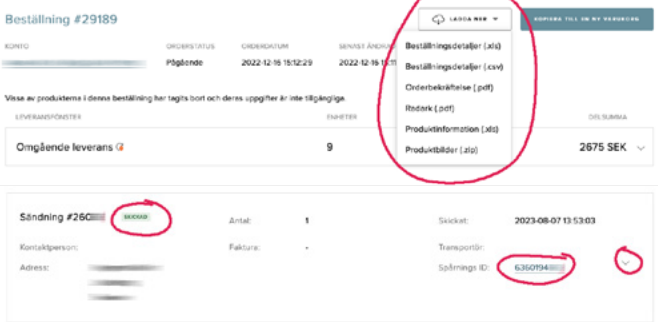

- Se aktuellt lagersaldo
- Lägga beställningsförslag i "varukorg" och dela med kollegor eller din säljare hos oss
- Orderläggning när det passar dig
- Status på din order & följa leveransen
- Ladda ned orderbekräftelse, beställningsdetaljer m.m.
- Hämta bilder/produktinformation kopplade till din order
- Se fakturor och dess status och ladda ned dem.
- ... och mycket mer

Logga in enkelt med följande steg:

- 1 Logga in på b2b.golfgeist.se/login
- 2 Skriv in den e-mailadress som du har fått registrerad av oss. Är den ännu inte registrerad, kontakta oss så hjälper vi dig.
- 3 Om du inte redan har ett lösenord, tryck på "Glömt ditt lösenord" – ni får då ett e-mail till den registrerade e-mailadressen.
- 4 Får ni inget e-mail, kolla skräpkorgen och om det inte fungerar i alla fall hör av er så dubbelkollar vi uppgifterna.
- 5 Välj Språk uppe i högra hörnet.

Upptäck vårt showroom!

36 Hole Battery

Capable of 36 holes on a single charge as standard
Lightweight hard cased battery simply slots into the battery tray without any external connector cables to plug in.

Our new 28.8v high torque battery and drive-train system handles even the most demanding courses and conditions with ease.

Should you forget to charge your battery, the wheels can be set to free-wheel mode, turning the NX into a free-rolling push trolley in seconds.

Down Hill Control

Down Hill Control (DHC) allows the trolley user to automatically maintain a constant speed when walking down hill, preventing the trolley from running away when descending a hill on the course.

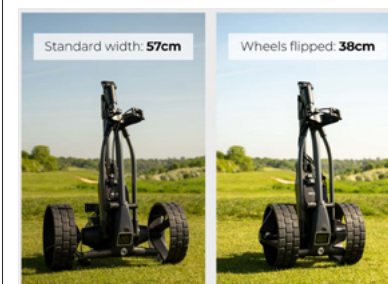

In addition to the Down Hill Control, the NX DHC also features a parking brake, eliminating the risk of the trolley rolling away whilst unattended.

Space Saving

Ready to tackle any condition the NX features heavy duty low profile rubberised wheels and tyres. The tyre tread and material has been proven to work flawlessly in both summer and winter conditions.

To save extra room when folded, the wheels can be inverted to reduce the overall width of the trolley.

8999.-

G-0006

NX Lithium

The NX electric golf trolley offers a reliable, high-quality, and easy-to-use design at an excellent value price point

The PowerBug brand has proven itself over the last 20 years with industry leading build quality, reliability and practicality.

The NX represents our vision of an exceptional golf trolley, combining straightforward ease of use, durable construction designed for longevity, and unmatched aftercare and warranty support.

Weight & Dimensions

Folded Dimensions:
77cm (L) x 57cm (W) x 41cm (H)

Folded Dimensions (Wheels Inverted):
77cm (L) x 38cm (W) x 41cm (H)

Trolley Weight (Battery Removed):
9.5kg

Easy Folding

Folding the PowerBug NX could not be any easier. A simple single-action mechanism folds and un-folds the NX in just a couple of seconds.

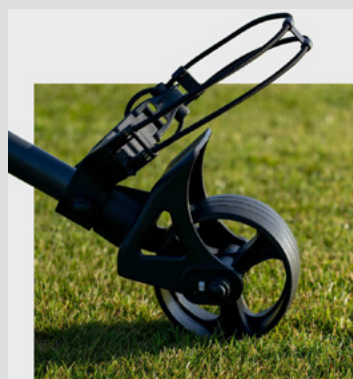

Whilst the folding mechanism is extremely easy to use, the framework is built with longevity in mind. Robust & lightweight materials ensure the frame does not wear out over time and stays solid through many years of use.

Anti-Clog Front Wheel

Vigorously tested during the fiercest of winters, large clearance between the front wheel and the housing prevents any mud clogging when used in the winter.

Remove the entire front wheel assembly without the need for additional tools allowing for easy cleaning of the NX without the risk of getting any of the electronics wet.

Handle Features

An updated handle design features handlebar style grips & USB charging port.

The handle screen display is adjustable to help visibility in all lighting conditions.

On screen battery level meter with speed adjustment 1-9 in 0.5 increments, allowing for the perfect walking pace for all golfers.

Set the NX to run and park automatically for up to 50 yards.

Charge your mobile or GPS device with the on-board USB charging port located underneath the handle.

Why choose powerbug?

Premium quality at fair prices

Our trolleys are crafted in the same factories as those of our higher-priced competitors, allowing you to experience the same level of quality without paying a premium.

Purchase with confidence

Enjoy many years of trouble free golfing. With over 8000 real customer reviews we are proud to be the highest customer ranked trolley brand on the planet!

By golfers, for golfers

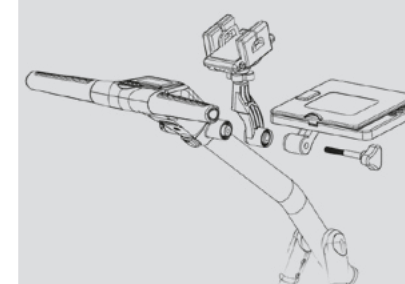

As passionate golfers ourselves with over 20 years of brand history, we deeply understand the needs of golfers and ensure our trolleys are built to perform flawlessly on the course!

Built-In Accessory Station

The NX is equipped with a built-in accessory station as standard.

Ready to fit a full range of accessories, and if you're an existing PowerBug customer all of your old accessories will be compatible with the NX trolley.

Warranty & Support

PowerBug NX trolleys & batteries are equipped with our industry leading 2 year manufacturers warranty.

Enjoy peace of mind with your new trolley knowing you have full warranty cover & backup support.

G-00014

NX DHC Lithium

Equipped with Downhill Control and an electronic parking brake, perfect for golfers playing hilly courses.

For over 20 years, PowerBug has set the standard in electric golf trolley design, offering industry-leading build quality, unmatched reliability, and exceptional practicality.

The NX DHC represents a bold step forward, featuring a completely revamped and modernised design. While embracing a fresh, innovative look, it stays true to the core fundamentals that golfers expect from a PowerBug electric golf trolley.

Motors

FORMULA DHC

We are excited to introduce you to the FORMULA DHC, our latest innovation in electric motorized golf trolleys, designed specifically for golfers who appreciate the benefits of walking the course. With the FORMULA DHC, you'll experience a perfect blend of performance, style, and convenience, enhancing both the game and the overall on-course experience.

The FORMULA brand has been five years in the making, rooted in nearly two decades of experience in the electric golf trolley market. Our dedicated team, with a combined experience of over 75 years in the golf industry, collaborated closely with partners across the US and Germany, tactfully developing this product.

We view this as a testament to our commitment to quality, innovation, and consumer value.

11999.-

FORMULA Remote

We are excited to introduce you to the FORMULA Remote, our latest innovation in electric motorized golf trolleys, designed specifically for golfers who appreciate the benefits of walking the course. With the FORMULA Remote, you'll experience a perfect blend of performance, style, and convenience, enhancing both the game and the overall on-course experience.

The FORMULA brand has been five years in the making, rooted in nearly two decades of experience in the electric golf trolley market. Our dedicated team, with a combined experience of over 75 years in the golf industry, collaborated closely with partners across the US and Germany, tactfully developing this product.

The FORMULA Remote made its official debut at the 2024 PGA Show in Orlando, where we received an enthusiastic response from distributors around the world. We are proud to announce that Formula Remote recently won the MyGolfSpy 2024 Award for Best Value Trolley on the Market

We view this as a testament to our commitment to quality, innovation, and consumer value.

Full Remote Operation

The Formula's handset boasts tactile buttons for precise control and one-touch on/off. Enjoy programmable cruise control, automatic safety time-out, and USB-C charging, all wrapped in a soft-touch silicone with an integrated belt clip.

Simple Manual Control Mode

Take charge of your golf experience with Formula's precision manual control. With 20 speed settings, adapt effortlessly to any terrain or pace. Dominate the course with ease and precision.

Automatic Steering Assist

Seamlessly navigate any course as the trolley intelligently adapts its direction to the terrain, ensuring effortless movement on slopes, inclines, and rough patches.

Automatic Down-Hill Control

Say goodbye to runaway carts and hello to controlled descents, as the Formula Remote governs speed on downhill stretches, enhancing both safety and convenience.

25.2V Integrated Battery with Status LED

Experience uninterrupted performance with the powerful 25.2V battery. Track your power levels effortlessly with built-in status LEDs. Elevate your game with reliable, long-lasting power.

All Terrain Wheels

The Formula Remote's innovative 3-spoke wheels not only ensure stability and traction on any terrain but also add a touch of elegance to your game. Stand out on the course while conquering every round with confidence and flair.

Integrated Accessory Station

With even more accessories in the works, Formula allows each golfer to accessorize to their heart's content with the integrated accessory station.

Unique Design

Featuring sleek curves and hubcaps that perfectly match the main body cover, the Formula Remote is a statement of style and sophistication. Not only does it elevate your game, but it also sets you apart from the competition. Turn heads on the course while enjoying top-notch performance and unparalleled elegance.

Built in USB-C Port

Forget to charge your handset? Charge it up with the trolley's on-board USB-C port

Rear Charging Port

No need to remove your battery or bag to charge up. Plug your charger right into the rear port on the trolley, and you will be ready to go for your next round.

Anti-Glare Display

Whether in manual or remote mode, the easy-to-read display will keep you informed. The display is equipped with pulsing motion chevrons, and battery and handset charge indicators.

USB-C Handset Charging

If your handset runs out of power oncourse, it can be charged with the USB-C port in the handle.

Adjustable Handle

Formula Remote's handle is adjustable in height to fit most golfers comfortably. The tension of the locking latch can also be changed.

Convenient Power

The quick-release 25.2V battery is capable of up to 36 holes on a single charge (same day). The built-in status LEDs show the battery capacity, even while charging.

Rear Charging Port

The easily-accessible rear charging port ensures convenient and efficient charging. Whether folded, or unfolded with the golf bag still attached, the rear charging port ensures that the trolley is always ready for action.

Other Features:

Dual Motor Drive
Ergonomic Handle Grips
Pulsing Motion Indicators
Adjustable Handle Height and Tension
Quick-Adjust Bag Straps
Swivelling Dual Front Wheel
Adjustable/Removeable Rear Stabilizer Wheel
Protective Belly Pan

GC820
TriLite T-Flash
Black, Grey, White

En trehjulig som tillverkas på samma fabrik som succévagnen Flip'n Go vilket borgar för hög kvalitet. Flygplansaluminium i rörkonstruktionen samt pulverlack för lång hållbarhet.

Precis som namnet antyder är den väldigt lätt. Den fälls ihop med samma mekanik som fyrehjulig- en vilket gör att den tar väldigt liten plats i bagagen på bilen.

Rejält med utrymme inuti scorekortshållaren som med enkelhet rymmer det mesta man vill ha lättåtkomligt på sin golfgrunda.

· Vattenflaskahållare ingår

MB24 Irons

Sculpted for uncompromising control, the MB24 irons blend Tour-proven aesthetics with an exquisite forged feel. Crafted for those who demand precision, these irons empower players to shape every shot with confidence. Characterized by a thinner topline and a differential muscleback designed for precise weighting, the MB24 irons maximize control with added forgiveness in a player's profile.

CB24 Irons

Created for ultimate playability, the CB24 irons combine modern engineering with classic design. Crafted for those who demand both accuracy and distance, these irons seamlessly blend a traditional forged feel with innovative technology. Characterized by an optimal progressive cavity and perimeter weighting for maximum MOI, the CB24 irons strike a perfect balance of distance and forgiveness.

HIO PERFORMANCE TOUR SPIN 3-piece

GBH012 12-pack (Full box - 12 box)

Exceptional Feel - Maximum Distance

This 3-piece ball with a urethane cover that delivers tour-level precision, speed, and spin. Designed with a medium-compression core that provides excellent feel, high ball speed, and a lower trajectory on long shots. The soft cover offers maximum spin in the short game. This ball is designed for golfers seeking exceptional feel, excellent distance, and incredible forgiveness in their shots.

Urethane Cover

139.-

ONCOURSE MULTI Golf Balls

GBOC001 12-pack (Full box - 12 box)

2-piece golf balls in soft matte finish technology

ONCOURSE golf Balls offer tour performance with exeptional carry and distance. The design technology features a high launch with low spin ratio allowing for unsurpassed distance. The low compression high speed core delivers optimal control with an ensures increased ball speed that is unmatched in the game improvemecategory.

FEATURE

- Titanium fused hybrid ionomer cover with Soft Matte Finish delivers penetrating trajectory with higher lift force and soft feel.
- High energy speed core, feels softer while maintaining optimal launch conditions and increases ball speed.
- LOW compression design delivers a high moment of inertia which leads to greater accuracy with off-center shots.
- Designed to launch high with low spin to create exceptional distance.
- 352 dimple design is unyielding to the wind.
- USGA Confirmed

129.- / 430.-

ONCOURSE WHITE Golf Balls

GBOC002 12-pack (Full box - 12 box)
GBOC045 45-pack (Full box - 4 box)

Super Soft and Premium Distance.

Super reactive titanium core maximizes the energy transfer from club head to ball. Two piece tournament construction insures explosive distance off your metalwoods and ultimate stopping ability with your irons. DOW surlyn cut proof cover for long term durability and maximum spin control. Aerodynamics & symmetrical dimple design increases lift and decreases higher, longer shots. drag for higher, longer shots.

FEATURE

- Super reactive titanium core maximizes the energy transfer from club head to ball.
- Two piece tournament construction insures explosive distance.
- DOW surlyn cut proof cover for ong term durability and maximum spin control.
- USGA Confirmed

JoBeLi Range Tee

JoBeLi Range Tee är en flexibel pegg speciellt anpassad för driving range-mattor. Med ett enkelt handgrepp trycker du fast peggen i mattans spår och där sitter den kvar hela träningspasset till skillnad från en vanlig träpegg som antingen flyger iväg eller går av. JoBeLi Range Tee går alltid tillbaka till utgångsläget. Den går lätt att klippa av i den höjd som passar dig bäst.

Storsäljare

SA0334

PinFinder 700S
Slope, vibration och scan-funktion.
Vår storsäljare lever vidare med uppdaterad mjukvara. Ergonomiskt design som ger stabilitet vid mätning. Kikaren har både "PinSeeker" funktion med vibration och "Scan" funktion så att den passar alla typer av spelare. Slope kompensation som tar höjdskillnader i beaktning, en funktion som givetvis går att stänga av vid tävling.

Den mäter upp till 700 m och tar flaggan på 300 m med en meters felmarginal. 6 x zoom. Vikt 143gr.

Batteri, rengöringsduk och ett lyxigt hard case ingår.

RUBBER 360

Enhance your game with the cutting-edge Rubber 360 Grip from Winn. Crafted for golfers who seek top-tier performance and comfort, this groundbreaking grip offers a full 360-degree rubber design, providing a consistent feel and outstanding control with every swing. It's designed for adjustable clubs, maintaining a uniform look no matter the shaft orientation.

Standard Size

Black | Round 49g - **360-BK**

D2R

After more than 25 years as an innovator in the golf industry, Winn is proud to introduce their first ALL RUBBER performance grip. The D2R is Winn's firmest and most durable grip and it's available in 3 sizes. Our proprietary rubber compound and a unique honeycomb/triple line pattern deliver both a non-slip surface with a firm responsive feel.

Undersize

Black | Round 39g - **3DR-BK**

Standard Size

Black | Round 51g - **5DR-BK**

Midsize

Black | Round 57g - **6DR-BK**

DRI-TAC

With its timeless tapered design, the esteemed Dri-Tac model from Winn offers exceptional performance in all weather conditions. Dri-Tac grips are renowned for their remarkable shock-absorbing capabilities and reliable non-slip performance, empowering golfers to effortlessly execute their swings, leading to improved contact and greater distance on the course.

Undersize

Dark Grey/Pink | Round 35g - **WG3040**

Undersize

Grey | Round 35g - **WG3042**

COUNTER BALANCE/LONG

The Long, Counter Balance/Armlock. Counter balance putters are well-known for their stabilizing influence, thanks to the added weight in both the head and grip. These grips come in various lengths, offering a range of gripping options to suit your preferences.

15-Inch Pistol (.610" Core) - Counter Balance

Black | Pistol 128g - **15P-BK**

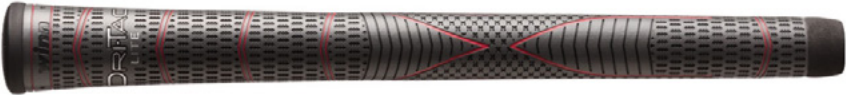

Red | Pistol 128g - **15P-RD**

DRI-TAC LITE

The Dri-Tac Lite grips showcase an innovative technology, boasting half the weight of conventional grips. This reduction in weight enhances the feel of the clubhead, ultimately refining swing tempo for improved contact and increased distance. Just like all grips within the Dri-Tac Series, Winn's Lite grip prioritizes both comfort and shock absorption, ensuring exceptional non-slip performance in any weather conditions.

Undersize

Dark Grey | Round 22g - **WG3044**

Standard Size

Dark Grey | Round 23g - **WG3045**

Midsized

Dark Grey | Round 33g - **WG3046**

WINNPRO X

The WinnPro X employs a profile with less taper compared to conventional designs, effectively eliminating wrist movement during the stroke. This innovative approach maintains the comfortable, tacky feel that Winn is renowned for. Additionally, it incorporates WinnLite Technology to reduce grip weight, improve clubhead feedback, and ensure stability throughout the putting motion.

1.18" Medium Diameter

Ta av fickan, bara att börja brodera / trycka!

Dry Performance Golf Glove

Mycket prisvärd och hållbar handske i 4-vägs stretch med egen logo. Syntetmaterial är designade för att ge ett utmärkt grepp, särskilt i blöta förhållanden, till skillnad från läder torkar syntetmaterial snabbare, vilket är en fördel när det regnar. För den som spelar mycket, är detta ett perfekt val.

Minimum 288 st handskar.
Leveranstid ca 4 månader.
Art.Nr LOGGDPM01 (Herr)
Art.Nr LOGGDPW01 (Dam)

Dry Performance Cabretta Golf Glove

Läderhandsken med egen logo ger ett överlägset grepp och känsla. Naturligt skinn, ett speciellt cabrettaskinn, som andas, följsam passform och känsla som är uppskattad av många golfspelare.

Minimum 288 st handskar.
Leveranstid ca 4 månader.
Art.Nr LOGGCDPM01 (Herr)
Art.Nr LOGGCDPW01 (Dam)
