12 Car Insurance The new insurance process for our 12 Car rallies, now sees the MSUK taking on the role of Broker and clubs will now pay the MSUK any insurance payments as part of the permit process. The one major change is that organisers must take a photo of the insurance signing-on sheet and email it to the MSUK before the event starts. This does allow a bit more leeway to organisers, as you don't need to decide to take out insurance cover, you just have to pay for those that want it. This means if someone turns up at the start and wants to change cars to one that needs the cover, then this can be catered for, even if no one else required it. Also, the levi for arranging the insurance has also gone, which means less cost to the event, if someone needs the cover. From a competitor point of view, there will not be any change to what they do to enter or take the cover. With this new process, it sees the amount competitors have to pay to use it, has reduced down to £35 per event.

WRC Scotland The World Rally Championship returns to the UK next year for the first time since 2019, with a round in Scotland from 30th September to 3rd October. It will be based in Aberdeen and use the fantastic gravel stages in the area. With the new rules being introduced for 2027, there are some new teams coming in to the championship, which should make the event even better to watch. We also have the championship returning to terrestrial TV next year, with the BBC having a three year contract to show all the rounds. Most of the live action will be via the BBC iPlayer.

Other Events Please see the calendar above for other events we have an invite to. I can get regs for any of these, just contact me if interested. Most of these events are entered via the Sapphire System, so regs, etc. can be found there. We will be invited to all the Anglian Motor Sport Club autosolos/autotests throughout the year.
