

Hazardous Activities List

All special events and certain hazardous activities that are listed below are excluded from cover unless specific agreement is obtained from our insurers prior to commencement

Should any Boundless organising committee or individual club member contemplate organising an event on behalf of Boundless that encompasses one or more of these excluded activities, then it must be notified at least 30 days in advance to the Senior Club Support Manager in order that it can be declared to the underwriters who reserve the right to charge an additional premium to include such activity.

Hazardous activities include, but are not limited to, taking part in the activities or using the facilities listed below:
