Group's Annual Report (Messrs. G. Hadnam & R. Thomas)

I am glad to report that this year we have seen a slight rise in attendance for our meals, club nights and outdoor activities.

CSMA/BOUNDLESS nationally has seen an increase in membership, maybe due to the current TV advertising campaign.

We have had some interesting speakers, this year, The outdoor activities, included our first picnic at Peckover House Wisbech, and we hope to repeat this again this year, if we can find a suitable venue. The treasure hunt and BBQ were well attended as were our two lunches at PARCS, always a popular event.

This next year, as well as our usual club nights here at Milton, we plan a return trip to Gadgets and Gizmos at Throckenholt, which proved to be a very popular and interesting visit last time we went. We hope to visit the Spalding Gentleman's Club, later this year. Of course, there will be the usual BBQ and treasure hunt, so hopefully it will prove to be another interesting programme.

Finally, I want to thank my committee for all their hard work in putting together the programme of events, Richard, Emma, and the staff here at Milton and lastly but not least you the members who continue to come out and support our endeavours.

Geoff Hadnam. (Chairman)

Thanks Geoff, I would also like to add my thanks to the above.

I would also like to remind you that the 2024 programme of events on page seven of your handout lists the proposed events we have planned for this year. So please check before you travel to any future event.

Check the website for online events and previous talks, check website.

We hope you enjoy our future events and we are always pleased to receive your suggestions for events.

The report was accepted by the meeting, proposed Mr. P. Clarkson, and seconded Mr. P. Morris.

Treasurer's Annual Report (Mr. A. Mason)

First, let me point out that the report for this AGM is on the last page of the hand out and covers the year ended December 2023.

The clubnights room hire looks odd because, for 2023 it was mostly paid in advance in 2022.

The PARCS meals in and out do not match because there were 2 cancellations, one paid out of 2023 accounts but one was not paid until 2024 (I had paid it cash but didn't claim until this year).

I would like to thank the committee for their help during the year, particularly Maureen, Marjorie, and Bob.

The report, see appendix 3 was accepted by the meeting. proposed Mr. B. Satwick, seconded Mr. S Powell.

Any Other Business:
