Grass Autotests We still don't have a venue yet, but we are invited to all the Blackbird AC ones, which are held at a field at Towcester. The entry fee for these events is £30 and entries are limited to 25, as only one test is run at a time, but there are usually six different tests run. They are running an event each month between May and September, so why not join John Clavey and myself.

Londinium Pedito This is a treasure hunt on foot. This event leads entrants on a historical and educational tour (combined with a "quiz") of some of the less known, yet interesting, areas of the City. It may be participated in as a social event or one with a competitive nature – for many it is a mixture of both. The event takes place on a Sunday afternoon. The overall route is circular, comprising six sections. For each, a competing team is allowed thirty minutes. Also, each section will have a different style of route (perhaps a map, descriptive, or photographic) to present the competitor with some navigational challenge. Over the course of each section they will be expected to answer a dozen questions - these are all to be answered from permanent features within the City, e.g. inscriptions on monuments, Blue Plaques, Architect stones, etc. By starting competitors at two minute intervals from each of the six starts, we are able to avoid any grouping around the route. Typically the first competitors will start at 1:00 pm and the last at 1:28 pm, thereby the last scheduled finisher will be at 4:28 (although some lateness may occur). A communal finish is optionally attended where provisional results are announced. Teams comprise one or two persons, although there is a "mini" event which runs concurrently and is aimed at older persons or those with young children (e.g. in push chairs). The total number of teams is normally about 120 (to achieve this a few teams start at minute intervals). The event takes place entirely on the streets (footpaths) and public spaces of the City of London. Entries cost £20 per team and entries close on Monday 7th September.

Other Events Please see the calendar above for other events we have an invite to. I can get regs for any of these, just contact me if interested. Most of these events are entered via the Sapphire System, so regs, etc. can be found there. We will be invited to all the Anglian Motor Sport Club autosolos/autotests throughout the year.

RS Clubman Licence Requirement

<https://motorsportuk.sport80.com>

Almost all the events in the calendar require you to have one of these licences as a minimum to compete, either as a driver or passenger. If you go to the above webpage, you can order your free licence, but please make sure you don't leave it to the last minute.
