

**Bankruptcy debtor:**

International Automotive Components Group Sweden AB, 556693-7321

The receiver has ruled that bankruptcy may be forthcoming. Hence, the District Court has ruled that proof of debt procedure shall be initiated.

**Monitoring the demand**

Those who wish to monitor their demand for bankruptcy must **inform the District Court in writing no later than March 24, 2026.**

**Please feel free to submit the documents to the court digitally, in PDF format, to [konkurs-tgg@dom.se](mailto:konkurs-tgg@dom.se) and include the case number.**

Monitoring must contain:

- Information regarding the size of each demand on the date the debtor entered into bankruptcy.
- Information of the total sum to be monitored.
- Appended invoices or other documents in support of the demand.
- For demands with preferential right, information that the demand holds preferential right and grounds for preferential right.

Monitoring must include a personal signature and two copies of all documents must be submitted.

Creditors to have received advanced payment must monitor their own demand. Salary creditors who have received full payment through the salary guarantee need not monitor.

**Notes to monitored demand**

Those wishing to object to a demand being monitored in bankruptcy can make a note of this with the District Court. The note is to be submitted to the District Court in writing no later than May 19, 2026.

Should a note be submitted, a conciliation meeting will be held at the district court on June 15, 2026 at 1:00 PM.

During the period between the final date for monitoring and final date for submitting notice, monitoring documents will be available for review from the receiver:
