EXPERIENCE

I studied Law & Economics at the University of St. Gallen (HSG), where I was involved in the executive committee of student associations, among other things. I gained further practical experience during an internship at the consulting firm PricewaterhouseCoopers in Zurich in the Strategic Regulatory & Foresight Service department and as a student employee at a corporate law firm in Zurich in the Internal Investigation department. Following my time as a trainee at Barandun in Zug, I will prepare for the bar exam.
