### EXPERIENCE

As a lawyer with a Notary Public license in Zug, I provide comprehensive advice to companies, founders, and investors on corporate law, particularly in the areas of M&A, corporate finance, and restructuring. Another focus of my work is contract law and advising start-ups, particularly at the interface with new technologies such as blockchain. My advice is solution-oriented, economically focused, and tailored to individual needs. I attach great importance to a holistic view of the issues at hand and to close, trusting cooperation with my clients.
