EXPERIENCE

I have many years of experience in advising financial institutions and am familiar with the challenges specific to the sector. My focus is on regulatory issues, corporate law and contract drafting. I also deal with the structuring of asset management products such as collective investment schemes, structured products and investment companies and can provide transactional advice on debt and equity transactions. I also specialize in capital market transactions, where I am a recognized issuer representative on SIX Swiss Exchange and BX Berne eXchange.

2025 Partner at Barandun AG in Zurich
