EXPERIENCE

As a former leader of a corporate tax team at the Zurich office of a globally leading tax advisory firm and currently a Tax Partner at Barandun AG, I bring extensive experience in advising companies, entrepreneurs, executives, and high-net-worth individuals on a broad range of tax matters. My core areas of expertise include corporate tax planning, structuring and executing mergers and acquisitions, developing real estate holding structures, and managing real estate transactions in a tax efficient manner. I also advise clients on succession and estate planning, as well as on relocation and residency in Switzerland. Through my roles as a board member of corporations and foundations, I have gained deep economic insight that enables me to deliver pragmatic, solution-oriented advice – always tailored to the specific needs of my clients.
