EXPERIENCE

I am motivated by helping people achieve their professional and personal goals. To me, good legal advice means developing solutions that are not only legally sound but also practical, understandable, and tailored to each client's needs. My practice focuses on corporate, contract, and employment law, as well as banking and finance. With my notary public license in Zug, I can also provide comprehensive support to my clients – from consultation to the notarization of company foundations, capital increases, asset transfers, mergers, and other transactions requiring notarization.
