EXPERIENCE

I have been advising entrepreneurs and companies for many years. As a result, I have proven experience in corporate law, not only in the acquisition and sale of companies (M&A), but also in their restructuring within or into a group. My qualification as a practicing Notary Public in the canton of Zug allows me to handle the implementation of such projects as a single point of contact. In addition, I have had the privilege of supporting many entrepreneurs in a variety of situations, including some delicate ones, which enables me to understand you and your concerns from a practical perspective and find legal solutions.
