EXPERIENCE

My expertise at KPMG and with various tax authorities (cantons of Zurich and Lucerne) enables me to offer my clients excellent solutions tailored to their needs. My keen interest in economic relationships and my entrepreneurial mindset enable me to best reflect my clients' economic reality within the tax law framework. As a former member of the "Tax-Exempt Institutions" expert group of the SSK (Swiss Tax Conference), I also have many years of experience, which I have gained as an expert in various tax-exempt institutions, from their establishment (articles of association, regulations, tax exemption procedures, strategic approach, etc.) to their restructuring.
