EXPERIENCE

I have been working as an assistant at Barandun in Zug since 2018. As part of my work, I have actively supported the development of the Zug office by taking on a wide range of administrative tasks. I support and relieve the partners and lawyers in all administrative activities. Prior to this, I gained over 23 years of professional experience in the luxury segment, in particular as a watch and jewellery consultant and later as deputy branch manager. Direct and personal customer contact is always a central task.
