The extensive selection of standard exterior paintwork and interior trims is a Porsche hallmark. In addition, a special combination of these finishes and trims

is available at extra cost (911 and 928 series only). Porsche also specialises in the preparation of exterior paintwork and leather finishes in

colours and combinations to your personal specification. Further information and specialist advice is available from your Official Porsche Centre.

The colour and trim samples shown on these sheets may differ slightly from the original. Porsche reserve the right to modify or alter any of these interior trims or exterior paintwork without prior notification.
