

MSS+

**PREMIUM WORKPLACES,
ULTIMATE WORKFLOW.**

**GET MORE
DONE**

Premium workplaces, ultimate workflow.

The premium storage system built for professionals. With over 100 high-spec modules and accessories, MSS+ gives you the freedom to design a workshop that flows seamlessly, looks exceptional, and fits the way you work. From heavy-duty drawers to precision installation, every detail is engineered for performance – backed by a 10-year warranty and local expert Sonic support.

- 
- › ***Go beyond perfect and create your ultimate workshop setup***
With over 100 premium modules and accessories tailored to match your workflow.
 - › ***Make a statement***
Premium materials and refined finishes that stand out in any workshop.
 - › ***Maximize efficiency***
With up to 30% more storage than NEXT MSS setups, and compatibility with XL Sonic Foam System inlays to keep tools exactly where you need them, when you need them.
 - › ***Engineered for endurance***
Made from 1.4 mm thick steel with ultra-durable drawers that hold up to 230 kg, this system is built to withstand the toughest demands.
 - › ***Installed by experts***
Enjoy support with professional installation for a flawless fit.
 - › ***Premium quality guaranteed***
with a 10-year warranty to match.

Go beyond perfect.

Standalone construction

The robust self-supporting frame requires no wall attachment – no drilling needed – for standalone use in any professional environment.

Ample storage capacity

65cm cabinet depth allows for extra deep drawers, increased cabinet space, and an extra large worktop surface.

Ultra-durable drawers

MSS+ drawers are built with heavy-duty slides featuring a 123kg or 230kg load capacity.

Secure, keyless access

Equipped with combination locks for secure, keyless access and an easily programmable code via the master key.

Make a statement with premium materials and refined finishes that stand out in any workshop. MSS+ is built for high-performance workshops that demand the very best. With heavy-duty construction, reinforced frames, and ultra-reliable components, this system is made to handle the toughest demands. Built to perform. Built to last.

Anti-tilt safety system

Portable cabinets have a safety system ensuring that only one drawer can be opened at a time.

Integrated power supplies

4-socket power supply and ventilation slots integrated into the bottom drawers.

Sonic Foam System

MSS+ is fully compatible with the Sonic Foam System, including XL inlays, for the most efficient tool organization and a streamlined workflow. Choose from over 200 foam inlays, each with high-quality tools to match your specific needs.

Sonic Configurator

Design your perfect setup with the Sonic Configurator. Visualize, customize and plan your layout – until every detail is just right.

Create your ultimate setup.

With over 100 premium modules and accessories, you have full control in creating a setup that matches your tools, your workflow, your team, and your visual standards.

Sonic Foam System NEXT-level efficiency.

At the heart of every Sonic setup is the Sonic Foam System – expertly selected and organized tool sets in foam inlays, designed for maximum efficiency. It ensures every tool is easy to find, retrieve, and return – keeping sets complete and users productive. Independent research shows that working with the Sonic Foam System increases mechanic productivity, resulting in significant time and cost savings.

MISPLACED TOOLS

- > More than 200 preconfigured tool sets
- > Available in 4 sizes: S, M, L, XL
- > Dual color, shadowed foam
- > Resistant to most common fluids and chemicals
- > Where applicable, sizing on foam inlay
- > Inventory list with each foam inlay. This makes repeat orders easier for end user and reseller.

Vertically positioned deep sockets for optimal space utilization.

All sizes are laser engraved.

Precision-cut foam slots for each individual tool.

Durable, chemical-resistant foam with contrasting shadow layer.

Most frequently used tools positioned on the right for easy access.

Comprehensive sets also include less commonly used sizes.

Audit drawers in seconds for missing tools

Fully compatible with Sonic Foam System for the most efficient tool organization and workflow

- Mounting magnet included

LED light length: 800mm

- 800-1000 Lm
- Color temperature: 6000-6500k
- Aluminium base + pc cover
- Mounting magnet included

Features

- Find what you are looking for faster, without relying on surrounding lighting
- The latest technology is used
- Magnetic mountable under wall cabinet
- Increase your productivity with a perfectly lit work surface
- Energy efficient and extremely long lasting
- Maximum connection, circuit of 4 LED lights

Power supply.

#	DESCRIPTION
49230	MSS+ powerbar EU version. Available from Q3 2026.
49232	Power bar bracket. Available from Q3 2026.

The MSS+ high performance power bars features a tough, anodized aluminium extrusion ensuring strength and durability.

Features power bar

- Durable abs and aluminum housing
- 4 grounded outlets
- 3 USB outlets (2x USB-C, 1x USB-A)
- Lighted reset/off switch
- 5m cord
- Ergonomically designed, profiled body - robust and easy to grip
- Rugged anodised aluminium extrusion - lightweight and strong
- Pa6 nylon moulded outlets and endcaps - protects and insulates power supply
- High grade polychloropreen/neoprene rubber cable (oil, chemical and ozon resistant)
- Color RAL 7016

Remark

Cabinets with fixed drawers include power bar in bottom drawer.

Features power bar bracket

- Angled power bar bracket can be mounted on the back panel
- Angle to the bracket provides clearance for cable leads and plugs ar
- The power bar bracket sits inside the backface of the post, this allows a back-to-back low level solution
