KULTUREN

Kulturen in Lund is a museum that stretches over two areas: the North and South areas. These are linked by the Underpass (No. 8). For step-free access to the North area, collect a code from the main entrance and use the Green Gate (No. 34). If you need help, call +46 (0) 46-35 04 01.

Children must be accompanied by an adult at all times. Please do not sit on the furniture or touch the objects on display in our historic buildings and exhibitions. Children are welcome to play on the playground (No.17) and in the play exhibition (No. 6).
