3. Subscription Term

- (a) The initial Subscription term will commence on the Effective Date start date or after or as may be notified by TAG's implementation team.

- (b) Subscription Terms will automatically renew for a term of 12 months unless the Customer provides TAG notice that it does not intend to review at least one month prior to expiry of the current Subscription Term.
- (c) Should TAG decide not to renew a Subscribed Service, it shall notify the Customer of its intention, at least six months prior to expiration of the current Subscription Term.

4. Professional Services and Support.

- (a) Professional Services are provided subject to the terms of the Agreement and the Professional Service Schedule. TAG's obligation to provide Professional Services under this Order From shall end on completion of the services.
- (b) Support Services are provided subject to the terms of the Agreement and the Support Schedule.

5. Charges and Invoicing

- (a) Fees for all Subscribed Services are invoiced and paid by the Customer quarterly in advance.
- (b) Fees for Professional Services are invoiced and payable as set out in the table above. Travel and subsistence costs shall be invoiced in arrears.
- (c) TAG may increase its fees at the beginning of each renewal term, such increases not to exceed [insert percentage or relevant index].
- (d) Customer will pay all invoices due within [30] days of date of invoice.
