Optimisation of base curve.jpg

At Silhouette, frame and lens are built on the same base curve.

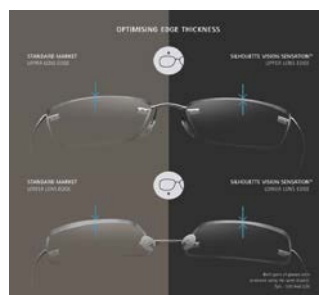

valid till: 01/2019

Base curve.jpg

For aesthetic reasons, our frames are built on a Silhouette specific base curve.

valid till: 01/2019

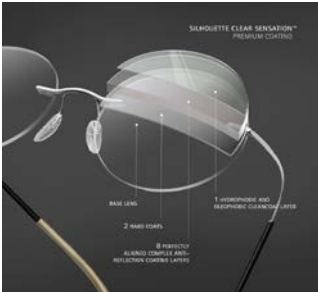

Optimisation of lens thickness.jpg

In order to achieve a harmonious overall look, Silhouette has paid particular attention to the special balance of lens strength and weight in Vision Sensation.

valid till: 01/2019
