

# Growing Forward

How *ifac* can help you

'If you want to travel fast travel alone,  
if you want to travel far, travel together.'

GROWING FORWARD

## The right advice at your side

From family farms and forestry ventures to food business start-ups and agri-tourism enterprises, businesses need to run efficiently, invest wisely and grow sustainably.

When all of this happens and businesses succeed, so do the communities around them, creating employment and sustaining a unique way of life. We don't take this for granted as it's not always easy to see where you are or where you need to go. That's why *ifac* is here.

We understand that managing and growing your farm or business can take time and you will have different needs at different times.

For over forty years, we have worked with our clients, regardless of size, location or circumstance, so they can be the best they can be. We help them establish and maintain the foundations of sound business and financial practice to let them flourish.

*ifac* serves over 18,000 members, with branches in over 30 locations.

## The right advice at your side

From family farms and forestry ventures to food business start-ups and agri-tourism enterprises, businesses need to run efficiently, invest wisely and grow sustainably.

When all of this happens and businesses succeed, so do the communities around them, creating employment and sustaining a unique way of life. We don't take this for granted as it's not always easy to see where you are or where you need to go. That's why *ifac* is here.

We understand that managing and growing your farm or business can take time and you will have different needs at different times.

For over forty years, we have worked with our clients, regardless of size, location or circumstance, so they can be the best they can be. We help them establish and maintain the foundations of sound business and financial practice to let them flourish.

# We start by listening

We want to know what matters most to you. No one knows your farm or business better, so by listening to you, we gain a deep understanding of your business, your challenges and your ambitions.

Backed by a deep foundation and knowledge of your plans, we bring our financial and sectoral expertise to help you make informed commercial decisions. Your insight will show us where you are now and our experience will guide you to where you want to be.

## OUR APPROACH

Your *ifac* Partner is the first point of contact between you, the local team and our national service and sector specialists. This approach ensures you have access to the right knowledge and specialist advice that best suit the needs of your enterprise.

“Young farmers need expert specialist advice, they need to be with an accountant who knows farming, farm income and transfer taxes. *ifac* fit the bill...”

Colm & Judy Diggins  
Causeway, Co. Kerry

# Sound advice, independent solutions

We understand that every business has its individual needs and opportunities. Our team of experts can offer you the most comprehensive independent advice and specialist solutions tailored to fit your needs. Our key solutions are:

## Taxation

Ensure that your taxes are structured as efficiently as possible by planning your affairs with one of our specialist tax advisors.

## Audit and assurance

Focus on ensuring compliance during your next audit and add value specific to your business.

## Specialist advisory

Increase profits and drive growth with advice from our committed teams of highly experienced professionals.

## Accounts

Keep track of your financial transactions and gather vital information for planning your financial future.

## Financial planning

Choose from the best investment solutions available with independent advice from our financial specialists, supported by our accounting and tax teams.

## Payroll

Make sure that payments are made accurately, on time, and in compliance with legislation in this critical part of your enterprise.

## Finance

Access the right finance opportunities to start, develop or expand your enterprise.

## Capital Planning

Optimise your asset ownership, succession, acquisition or divestment strategy.

“Getting the benefit of all the ifac specialists with one point of contact has been great for us. We’re a growing business, having a partner who brings an external perspective is highly valuable.”

**Padraig Hennessy**  
Co-Founder Terra Liquid Minerals

# With you every step of the way

Putting your plan into action is just the beginning. Our flexible approach means we regularly take the time to check in with you. We can routinely track, monitor and review performance and work with you to make adjustments when necessary, giving you the confidence and continuity to grow within an ever changing landscape.

Our proactive approach means we can help anticipate potential issues and opportunities along the way, and give you the sound advice you need to achieve your goals.

So whether you're adapting to the changing market or passing your enterprise onto the next generation, we'll be there to guide you.

## OUR PROCESS

Our three stage process; We start with listening, then using our understanding, we plan ahead and then put those plans into action. We review and monitor performance and adapt and adjust as needed along the way.
