

Terms & Conditions

Bachelor Degree Program

This document represents the most recent version of Hult International Business School, Inc's ("Hult") terms and conditions for the program selected. These are subject to change with or without notice, and the most recent version is also available online at www.hult.edu.

Payment Terms and Deadlines

- A non-refundable application fee of USD75 is payable at the time of the application submission.
- A non-refundable confirmation deposit (USD 1,650 for our US campuses and GBP 1,050 for our London campus), which contributes towards the program fee, is payable after acceptance into the program and will hold the student's place in the chosen program as long as the below payment plan is followed. See pricing table online for fee details.
- Submitting an Early Decision application indicates that Hult is the student's first choice institution. Students can apply to other institutions but cannot have multiple Early Decision applications pending at any time.
- Students have the option of paying in full (including any Housing Fees) 60 days before the start of the program at a discounted rate. Otherwise, 1/2 of the total fees (including any Housing Fees) is payable approximately 60 days before the start of the fall term, and the remaining balance is payable 30 days before the start of the spring term. Any additional credits taken during the academic year is charged at the end of each term, and any additional summer credits signed up for are payable at the end of April (subject to summer course registration deadlines issued by the academic department).
- Hult reserves the right to withdraw any previously confirmed campus seat, should the above payment terms and conditions not be met.
- Hult reserves the right to assess a late payment surcharge calculated monthly based on 1% per month on all outstanding account balances or the maximum allowed by law.
- When Hult notifies an applicant that they have been accepted to the school, an offer has been made. The applicant is considered to have accepted said offer by paying the confirmation deposit. The confirmation deposit covers the cost Hult incurs when going through the process of assessing if the applicant should be accepted to the school.
- Hult may increase the Program Fee upon annual review. Any Program fee increase will be driven by an increase in cost base, which may be the result of either inflation and/or investments made in the school. Any scholarship or financial aid previously awarded will change proportionally for all students who first matriculated at Hult during or before January 2020. For students matriculated after January 2020, the scholarship awarded amount will not increase throughout their time at Hult.

Methods of Payment

Foreign transaction fees and currency exchange rates can be costly and time consuming to find the best provider which is why Hult is offering through payment providers cost efficient, reliable and fast way to make payments through Flywire. The Application Fee and Confirmation Deposit and all remaining charges due can be paid by the Online Application portal payment service (preferred method)*

**The online application portal (powered by our partner Flywire) provides customized payment solutions so students can pay in their local currency and ensures the correct amount due in invoiced currency is received by Hult and applied to the student account in the fastest way possible.*

Should you require direct bank transfer details, please note payments on average take 7-10 business days to be received and applied to the student account. Payments should be received in the invoiced currency and all fees associated with remitting payment are the responsibility of the student. Students should ensure to state the full name of the applicant/student and the associated ID number on all payments so we can find your payment. Bank detail requests and all other financial queries should be directed to hult.finance@hult.edu

For any additional questions and support needed related to making a payment, please contact our finance team (hult.finance@hult.edu)

Bank Wire Fraud

We advise all students to be mindful of the risk of bank wire fraud and to take responsibility for checking that any bank transfer of funds is made to the correct location. Hult does not accept liability for payments that are made to incorrect third parties.

Insurance Coverage

Your health and wellness is important to us, which is why we require all students to have an adequate insurance coverage. Please refer to myHult for campus-specific insurance information.

A group travel insurance is included for all student and is part of the total cost of the program. Should you wish to renounce this coverage there is a process for that (or if you want to refer to myHult). If another insurance is approved the value corresponding of the group insurance will be deducted from the total cost.

however, be subsumed into a standard formula or ranking. They will be considered in conjunction with all other admissions criteria and factors considering the School's mission and purpose.

Scholarship Policy

Hult awards merit-based scholarships and awards as well as need-based scholarships to eligible students. The Hult Scholarship Policy is intended to advance the School's mission to deliver a useful and enduring business education to international students. It is based on the following objectives:

- To promote a nationally, culturally, and ethnically diverse student body,
- To encourage outstanding applicants to enroll in the Hult Program,
- To provide financial assistance to qualified applicants in need of such assistance.

Consistent with these objectives, Hult has set forth the following guidelines for the awarding of bursaries, grants, fellowships, and other forms of financial aid.

All such scholarships should be based on the following criteria:

- Merit-based scholarships:
 - Hult students set themselves apart with their passion, drive, and determination. If you've already demonstrated yourself to be an outstanding candidate for somewhere like Hult, then there could be a scholarship suited to you. We do strongly encourage you to apply early in order to give yourself the best possible chance of securing a scholarship.
 - Please refer to our website for further information.
- Need-based awards:
 - Through our awards program, we are committed to helping families with greater financial need make their Hult dream a reality. Along with our merit-based scholarships, you may be considered for additional financial assistance through one of the awards listed below and/or a regional grant. Applicants will be asked to provide proof of financial need through FAFSA or declaration of finance.
 - Please refer to our website for further information.
- Other programs
 - We also offer US Federal Student Aid (FAFSA) and other financial aid programs
 - Please refer to our website for further information.

The above criteria are not exhaustive. They may be weighed differently. They may not, however, be reduced to a standard formula or ranking. They should be considered in light of the School's admissions criteria, its mission and purpose, and U.S. Equal Opportunity laws.

The Dean, together with the Academic Standards and Quality Committee (ASQC) can withdraw or reduce the merit-based scholarship granted (or its equivalent) if a scholar's progress, behaviour, or attitude is unsatisfactory, involvement in their specialised area is minimal, or the Hult Honor Code and ethos is not being embraced and upheld.

Program Fee Credit Policy

The Program Fee entitles a student to study in classes totaling up to 30 credit hours per academic year. Students who take classes totaling less than 30 credits will have their credits carried forward to their final year. For students who take more than 30 credits, these will be charged pro rata per

credit and must be paid during the same academic year they are taken.

In addition to the above, should you decide to take the Limitless Learning option (i.e. Virtual BBA) it is mandatory that a minimum of 60 credits are taken on campus in order to be allowed to graduate.

Withdrawals and Refunds

The confirmation deposit is non-refundable, except under the following circumstances:

- I. In the case of an applicant confirming upon the condition of being granted a student visa for the desired campus and subsequently failing to obtain such a visa due to rejection, the applicant will be eligible for a refund of 100% of the value of the confirmation deposit.
- II. In the case of an applicant confirming upon the condition of meeting entrance requirements and subsequently failing to meet such standards, the applicant will be eligible for a refund of 50% of the value of the confirmation deposit.
- III. In the case of an applicant withdrawing, excluding the circumstances of criteria i. or ii., giving notice before the 1st May in the year of matriculation, the applicant will be eligible for a refund of 50% of the value of the confirmation deposit. Notice given after 1st May in the year of matriculation results in the applicant being ineligible for refund of the confirmation deposit. Early Decision applicants are ineligible for a refund under either circumstance.
- IV. If an applicant has applied for the London campus, the applicant has the right to cancel within 14 days of having accepted the offer to attend Hult. The cancellation does not have to follow a specific format, but it must be made in writing through e-mail to the applicant's enrollment advisor.

Program Fee refunds are granted based on the date of the official written withdrawal processed by the Registrar's Office. Non-attendance does not constitute official withdrawal. The schedule that follows will apply to students withdrawing voluntarily, as well as to students who are dismissed from the School for academic or disciplinary reasons (see Dismissal from the Program below).

If the student is on a student visa, withdrawal from Hult will invalidate the student visa, and immigration authorities will be informed. The student must schedule an exit interview with Student Services before his or her departure. Application fees, New Student Fee, Insurance Coverage, Housing Fees and installment plan fees all non-refundable and assumed to be paid for prior to any Program Fee. Refunds will only be given on the Program Fee less than any Financial Aid awarded (meaning all financial aid, scholarships, and bursaries awarded by the School). In accordance with regulations, special rules apply to U.S. citizens, Californian residents and other permanent U.S. residents receiving U.S. federal student aid. Copies of these policies are available upon request from the Financial Aid Office.

Refund Schedule

The amount of any Program Fee refund will be based on the following schedule (after deduction of non-refundable items):

- Prior to Matriculation: 100% of Program Fee (excluding confirmation deposit)
- After Matriculation: 50% of Program Fee

- After the start of Spring Semester: 0% of Program Fee

Refunds will be sent to the method of payment received depending on the amount due back to the student. As such, amounts received directly from governmental and external loan providers will first be sent back to the loan provider before refunding the student.

Any Accommodation Fee refunds are regulated in the student housing agreement.

Resource and Capacity Constraints

Home Campuses and Summer Programs are subject to capacity constraints. Students must be in good academic standing and up-to-date on Program Fee payments to be eligible to elect a new home campus or participate in Summer Programs.

Dismissal from the Program

The School reserves the right to dismiss any participant at any time whose academic performance is unsatisfactory, whose conduct constitutes unacceptable professional behavior, who has not paid their fees, or whose legal or medical problems hinder satisfactory performance. In such cases, the Dean will notify the participant in writing, a degree will not be awarded to the participant, and, as appropriate, the participant's sponsor will be notified. For students on a student visa at their campus of study, dismissal from Hult will invalidate the student visa and immigration authorities will be informed.
