Dual Degree

Students may be awarded a scholarship towards a Dual Degree during the application process for their initial full time program. Scholarships are based on confirmation date and campus of origin, and vary each year. Conditions of the Dual Degree and scholarship for the Dual Degree (if any) are as follows:

- For students matriculating in the 2019-2020 academic year who met the criteria for a full scholarship for the Dual Degree, this scholarship is contingent upon paying for first year tuition in full prior to matriculation in their first degree. If students wish to participate in the extended payment plan, Dual Degree tuition reverts to \$5000 net. Only Dubai home campus students are exempted from this rule. This applies only to incoming 2019 students and is not to be considered an offer to any future academic year.
- The Dual Degree program must follow directly after the students' first program and may not be deferred or delayed in any way.
- Students must graduate on time from their first degree to participate in the dual degree.
- While students may earn a scholarship towards their tuition based on confirmation date, all students will need to pay a non-refundable deposit to hold their seat. This deposit will be applied towards insurance and course material costs at matriculation on the Dual Degree program. Note that all students will incur costs for books and course materials regardless of scholarship. Payment dates will be specified and due during the students original program year.
- Eligibility for the dual degree scholarship, if any, is contingent upon students remaining in good financial standing at all times. Any delinquent payments for the original or Dual Degree program will result in the loss of scholarship.
- All students wishing to do the Dual Degree must meet all deadlines for registration and payments without exception. Missing a deadline will result in

loss of scholarship. If capacity is available, students who have lost their scholarship may be given the option to purchase the Dual Degree at a set price.

Resource and Capacity Constraints

Global Rotation Program

The Global Rotation Program is subject to capacity constraints. Students must be in good academic standing, and be up-to-date on payments to participate in this program. If you are changing campus location permanently you may be provided with separate Terms and Conditions for the new campus.

Electives

Electives are subject to capacity and scheduling constraints. Not all electives will be available on all campuses. Electives for each program will be offered only at campuses where each program is hosted.

Withdrawals and Refunds

Withdrawal and re-entering policy

A student may withdraw from the Masters degree program at any time upon giving written notice to the School's Registrar. The withdrawing student may re-enter the program at a later date on the condition that they will have completed their program within five years of their original start date. He or she may use any unexpired program fee credit toward the receipt of educational services or materials, which will be priced at the fee structure of the time of re-entry. The returning student is therefore liable for any fee inflation from the original enrollment to the time of re-entry. Course choices and study program will be subject to space and scheduling availability. In addition to providing written notice to the Registrar, all students must meet with the Dean prior to withdrawing (see student handbook for detailed procedure). If the student is on a student visa at his or her campus of study, withdrawal from Hult will invalidate the student visa and immigration authorities will be informed.

General Information

The Confirmation Deposit, including deferral fees and Dual Degree Deposits, are non-refundable, except under the following circumstances:

- i. In the case of an applicant confirming upon condition of being granted a student visa for the desired campus and subsequently failing to obtain such a visa due to rejection, the applicant will be eligible for a refund of 100% of the value of the Confirmation Deposit.
- ii. In the case of an applicant confirming upon condition of meeting entrance requirements and subsequently failing to meet such standards, the applicant will be eligible for a refund of 50% of the value of the Confirmation Deposit.

Program Fee refunds are granted based on the date of the official written withdrawal processed by the Registrar's Office. Non-attendance does not constitute official withdrawal. The first week of class is the week containing "Immersion begins" as listed in the academic calendar. The schedule that follows will apply to students withdrawing

voluntarily, as well as to students who are dismissed from the School for academic or disciplinary reasons (see Dismissal from the Program below).

If the student is on a student visa at his or her campus of study, withdrawal from Hult will invalidate the student visa and immigration authorities will be informed. The student must schedule an exit interview with Student Services prior to his or her departure.

Application Fees, Insurance Coverage, Pre-MBA Program Fees and Accommodation Fees are all non-refundable, charged and paid prior to any Program Fee. Refunds will only be given on Program Fee less any Financial Aid awarded (meaning all financial aid, scholarships, and bursaries awarded by the School).

Course materials paid to Hult are refundable until the date of matriculation. After classes commence, this charge is considered consumed and therefore non-refundable.

In accordance with regulations, special rules apply to U.S. citizens, Californian residents and other permanent U.S. residents receiving U.S. federal student aid. Copies of these policies are available upon request from the Financial Aid Office.

Refund Schedule

The amount of any Program Fee refund will be based on the following schedule:

- Prior to first day of class 100% of Program Fee
- Prior to 21 calendar days from start of Programme start date 60% of Program Fee
- Prior to start of Spring Term 40% of Program Fee
- Prior start of Summer Term 20% of Program Fee
- After start of Summer Term 0% of Programme Fee.

*Dual Degree Programme Fees are not refundable after the start of class.

Refunds will be sent to the method of payment received depending on the amount due back to the student. As such, amounts received directly from governmental and external loan providers will first be sent back to the loan provider before refunding the student.

Any Accommodation Fee refunds are regulated in the student housing agreement.

Dismissal from the Program

The School reserves the right to dismiss any participant, at any time, whose academic performance is unsatisfactory; whose conduct constitutes unacceptable behavior as determined at the sole discretion of Hult Campus management; who has not paid their fees; or whose legal or medical problems hinder satisfactory performance. In such cases, the Dean will notify the participant in writing, a degree will not be awarded to the participant, and, as appropriate, the participant's sponsor will be notified. For students on a student visa at their campus of study, dismissal from Hult will invalidate the student visa and immigration authorities will be informed.
