

Terms & Conditions

Bachelor Degree Program

This document represents the most recent version of Hult International Business School's ("Hult") terms and conditions for the program selected. These are subject to change with or without notice, and the most recent version is also available online at www.hult.edu.

Payment Terms and Deadlines

- A non-refundable application fee of USD75 is payable at the time of the application submission.
- A non-refundable confirmation deposit, which contributes towards the program fee, is payable after acceptance into the program and will hold the student's place in the chosen program as long as the below payment plan is followed. See pricing table online for fee details.
- Submitting an Early Decision application indicates that Hult is the student's first choice institution. Students can apply to other institutions but cannot have multiple Early Decision applications pending at any time.
- 1/2 of the total fees (including any Accommodation Fees) is payable approximately 60 days before the start of the fall term, and the remaining balance is payable 30 days before the start of the spring term. Any additional credits taken during the academic year is charged at the end of each term, and any additional summer credits signed up for are payable at the end of April (subject to summer course registration deadlines issued by the academic department).
- Students have the option of paying in full (including any Accommodation Fees) 60 days before the start of the program at a discounted rate.
- An Accommodation Holding Deposit of USD 1,000 is payable prior to securing accommodation at Hult and will contribute towards the accommodation fee. The deposit is refundable until May 1st.
- Hult reserves the right to withdraw any previously confirmed campus seat, should the above payment terms and conditions not be met.
- Hult reserves the right to assess a late payment surcharge calculated monthly on the basis of 1% per month on all outstanding account balances or the maximum allowed by law.
- When Hult notifies an applicant that they have been accepted to the school, an offer has been made. The applicant is considered to have accepted said offer by paying the confirmation deposit. The confirmation deposit covers the cost Hult incurs when going through the process of assessing if the applicant should be accepted to the school.
- Hult may increase the Program Fee upon annual review. Any Program fee increase will be driven by an increase in cost base, which may be the result of either inflation and/or investments made in the school. Any scholarship or financial aid previously awarded will change proportionally.

Insurance Coverage

Your health and wellness is important to us, which is why we require all students to have an adequate insurance coverage. Please refer to myHult for campus-specific insurance information.

It reflects a holistic approach to application review based on (1) Basic Admissions Criteria, and (2) Personal Factors, as set forth below:

Basic Admissions Criteria

1. High school transcripts
2. SAT or ACT score preferred, but not required
3. Letters of recommendation
4. English-language proficiency

Primary Personal Factors

1. Career goals
2. Evidence of
 - Leadership
 - Professional promise
 - Motivation and drive
 - Resilience in the face of adversity

 - Community service

The above factors are not exhaustive, and may be considered in various ways. They may not, however, be subsumed into a standard formula or ranking. They will be considered in conjunction with all other admissions criteria and factors, in light of the School's mission and purpose.

Financial Aid Policy

Hult awards merit-based scholarships as well as need-based grants and other financial assistance to eligible students. The Hult Financial Aid Policy is intended to advance the School's mission to deliver a useful and enduring business education to international students. It is based on the following objectives:

1. to promote a nationally, culturally, and ethnically diverse student body,
2. to encourage outstanding applicants to enroll in the Hult Program,
3. to provide financial assistance to qualified applicants in need of such assistance.

Consistent with these objectives, Hult has set forth the following guidelines for the awarding of bursaries, grants, fellowships, and other forms of financial aid.

All such awards should be based on the following criteria:

1. Country of origin (to ensure national, cultural, and ethnic diversity)
2. Financial need
3. Specialized knowledge, skills, and/or expertise
4. Career goals
5. Entrepreneurial skills
6. Community, public, or national service
7. Evidence of

The above criteria are not exhaustive. They may be weighed differently. They may not, however, be reduced to a standard formula or ranking. They should be considered in light of the School's admissions criteria, its mission and purpose, and U.S. Equal Opportunity laws.

Program Fee Credit Policy

The Program Fee entitles a student to study in classes totaling up to 30 credit hours per academic year. Students who take classes totaling less than 30 credits will have their credits carried forward to their final year. For students who take more than 30 credits, these will be charged pro rata per credit and must be paid during the same academic year they are taken.

Withdrawals and Refunds

The confirmation deposit is non-refundable, except under the following circumstances:

- I. In the case of an applicant confirming upon the condition of being granted a student visa for the desired campus and subsequently failing to obtain such a visa due to rejection, the applicant will be eligible for a refund of 100% of the value of the confirmation deposit.
- II. In the case of an applicant confirming upon the condition of meeting entrance requirements and subsequently failing to meet such standards, the applicant will be eligible for a refund of 50% of the value of the confirmation deposit.
- III. In the case of an applicant withdrawing, excluding the circumstances of criteria i. or ii., giving notice before the 1st May in the year of matriculation, the applicant will be eligible for a refund of 50% of the value of the confirmation deposit. Notice given after 1st May in the year of matriculation results in the applicant being ineligible for refund of the confirmation deposit. Early Decision applicants are ineligible for a refund under either circumstance.
- IV. If an applicant has applied for the London campus, the applicant has the right to cancel within 14 days of having accepted the offer to attend Hult. The cancellation does not have to follow a specific format, but it must be made in writing through e-mail to the applicant's enrollment advisor.

Program Fee refunds are granted based on the date of the official written withdrawal processed by the Registrar's Office. Non-attendance does not constitute official withdrawal. The schedule that follows will apply to students withdrawing voluntarily, as well as to students who are dismissed from the School for academic or disciplinary reasons (see Dismissal from the Program below).

If the student is on a student visa, withdrawal from Hult will invalidate the student visa, and immigration authorities will be informed. The student must schedule an exit interview with Student Services before his or her departure. Application fees, New Student Fee, Insurance Coverage, Accommodation Fees and installment plan fees all non-refundable and assumed to be paid for prior to any Program Fee. Refunds will only be given on the Program Fee less than any Financial Aid awarded (meaning all financial aid, scholarships, and bursaries awarded by the School). In accordance with regulations, special rules apply to U.S. citizens, Californian residents and other permanent U.S. residents receiving U.S. federal student aid. Copies of these policies are available upon request from the Financial Aid Office.

Refund Schedule

The amount of any Program Fee refund will be based on the following schedule:

- Prior to Matriculation: 100% of Program Fee (excluding confirmation deposit)
- After Matriculation: 50% of Program Fee
- After the start of Spring Semester: 0% of Program Fee

Refunds will be sent to the method of payment received depending on the amount due back to the student. As such, amounts received directly from governmental and external loan providers will first be sent back to the loan provider before refunding the student.

Any Accommodation Fee refunds are regulated in the student housing agreement.

Resource and Capacity Constraints

Home Campuses and Summer Programs are subject to capacity constraints. Students must be in good academic standing and up-to-date on Program Fee payments to be eligible to elect a new home campus or participate in Summer Programs.

Dismissal from the Program

The School reserves the right to dismiss any participant at any time whose academic performance is unsatisfactory, whose conduct constitutes unacceptable professional behavior, who has not paid their fees, or whose legal or medical problems hinder satisfactory performance. In such cases, the Dean will notify the participant in writing, a degree will not be awarded to the participant, and, as appropriate, the participant's sponsor will be notified. For students on a student visa at their campus of study, dismissal from Hult will invalidate the student visa and immigration authorities will be informed.

The content of this document aligns with all Terms and Conditions for all Hult International Business Schools campuses globally, under the assumption that this

document represent the latest version of said terms and conditions. Differing local laws and regulations will always take precedence.

For students studying in San Francisco, the rules set out by the Bureau for Private Postsecondary Education in the State of California will apply.

- Applicants must have applied to the Hult undergraduate program by December 15, 2019 (the Early Decision II deadline) and provided confirmation to be classified as “Early Decision” by January 15, 2020.
- “Early Decision” means that the applicant considers Hult International Business School to be their number one choice school, and therefore, if accepted, is committed to confirming and attending Hult starting in the fall term of 2020.
- If accepted, the applicant is bound to make their confirmation deposit by February 15, 2020.
- The masters program must follow directly after the student’s completion of the undergraduate program and may not be deferred or delayed in any way. This offer is not considered credit for later use nor can it be redeemed for cash value.
- Students must graduate on time from the undergraduate program which is a minimum of four years and have a minimum cumulative GPA of 3.0.
- All students will need to pay a non-refundable deposit to hold their seat in the masters program which will be used for books, course materials, etc. upon matriculation into the program. Payment dates will be specified and due during the student’s final year of the undergraduate program.
