## Handpiece Service

**ProService**

Valid from 1<sup>st</sup> April to  
23<sup>rd</sup> December 2024

**Are your handpieces compliant?**

W&H are working with you to maximise your investment and extend the life of your W&H turbines. If your handpieces are repaired by a non-accredited repair house the CE mark may no longer be valid as any device modification may affect compliance. Get a top quality complete handpiece overhaul at a fixed price.

#### YOUR BENEFITS WITH NO ADDED COSTS

- Fixed prices for handpiece maintenance and health check
- We only use genuine W&H spare parts
- Extra 20% discount on parts which may be required and are not included
- TOTAL PEACE OF MIND that your handpiece has been professionally serviced by W&H

The Fixed Price includes:

- Cartridge or Head Gear Replacement
- Ball Bearing Replacement
- Full maintenance and function check to factory standards
