BIOSPHERE

Social Influencer - Volunteer Application Form

Thank you for your interest in volunteering with the Dublin Bay Biosphere. Our volunteers help raise awareness of the biosphere and its importance as a nature reserve. UNESCO Biosphere's have three primary objectives:

- Conservation of biodiversity and cultural identity
- Economic development that is socio-culturally and environmentally sustainable
- Logistic support, underpinning development through research, monitoring, education and training.

Our Social Influencers will help inform the public about the importance of the UNESCO designated Dublin Bay Biosphere, promote it as a destination and raise awareness of some of the challenges it faces. This will be achieved by sourcing and writing articles for our E-zine and website and by promoting our E-zine/website articles through social media channels.

Your Contact Details

Email

Your Motivation:

Please tell us why you would like to volunteer with the Dublin Bay Biosphere?

Your Experience:

Please tell us about your education/work/voluntary experience to date, and what skills you have that you feel you could bring to your volunteer role?

Your Declaration:

I declare that the information I have given is, to the best of my knowledge, true and accurate.

The information you have provided will be kept securely and used by Dublin Bay Biosphere in order to make your volunteer activity possible. Your information will not be shared with any other organisation, other than with your permission, or where required by law.

Signed: _____

Date: _____

Please return completed form to: Dean Eaton info@dublinbaybiosphere.ie

What happens next?

- Once we receive your application we'll arrange a short Zoom interview.
- Successful applicants will receive a short introduction to the biosphere from the Biosphere Coordinator who will then offer ongoing support to help you undertake the role.
