WE Teachers Program

WE Teachers is a program providing free resources and training to teachers across America, in order to help them feel equipped to address critical social issues with their students. WE Teachers ensures that every teacher in every school nationwide has the opportunity to access the resources, training and tools they need to excel in their classroom—from addressing pressing social issues to utilizing innovative experiential-learning techniques.

Overview

- Equips teachers across America to address relevant social issues in their classroom, such as bullying, gun violence and mental well-being.
- Builds educator capacity to implement experiential service-learning in the classroom for teachers across America.
- Helps students become active and engaged citizens by giving teachers the resources to raise awareness for issues affecting people locally and globally.

Why is WE Teachers a different kind of program?

- WE Teachers is a nationwide program, built to empower educators with the tools and resources they need to address critical social issues.
- The core focus of the program is on educator empowerment to drive long-term sustainable impact, with awards included to celebrate and honor teachers.
- WE Teachers is designed to be personalized, adaptable and highly accessible through virtual-learning opportunities.
What WE Teachers have access to:

**Teacher Training:**

**Training Sessions:**
- Virtual teacher training sessions, designed to be available to all educators regardless of their physical location, to enhance understanding of social issues that are affecting students, with local context in mind.
- Collaboration with WE Teachers team to receive ongoing support throughout the year and gain a network of like-minded colleagues.

**Online Teacher Community:**
WE Teachers includes exclusive access to an online learning platform connecting them with like-minded peers and the best minds in service-learning, that includes:
- A collection of WE Teachers resources (educational resources, websites, webinars).
- The opportunity for teachers to post adapted lesson plans and other resources to share.
- A discussion board where teachers can pose questions to other teachers about their practices.
- Give teachers the opportunity to host or attend online “office hours” to engage in dialogue with other teachers and highly regard education experts.

**Educational Resources:**

**Modules:**
- Receive a digital toolkit with five modules (short activities to develop understanding and to take action) on important and top-of-mind critical social issues facing youth in your community.

**Celebrating:**

**Teacher Awards**
- $500 Walgreens gift cards, designed to be used towards school supplies, cleaning supplies, snacks, and other classroom supplies, as a thank you for all teachers do!
